SOUTHWEST HIGH SCHOOL

ATASCOSA, TEXAS

Foreword

ONE STEP AT A TIME . . . .

. . . We get an education. We build for a future that gives no hint of what is to come. We grow; we develop; we build castles in the sky, only to have a strong puff of wind carry them away. We learn from our mistakes, and through our mistakes, we become well-rounded individuals.

Our lives are varied, but, still, there is a kinship, a familiarity in everyday happenings.

Our progress is slow and painful with never ceasing trials of growing up . . . and, we may stumble often. . .

. . . . . .but always forward.

Superintendent's Message

To the students and the other friends of the Southwest High School I extend cordial greetings and sincerest good wishes. The year 1964-65 has been marked by a record of achievements which will probably characterize it as outstanding, if not epoch making, in the history of this school. It would be presuming if, indeed, not impossible, for me to record in this brief greeting an adequate enumeration much less a description of these achievements. May it suffice to say that a larger physical plant, an increased enrollment, a stronger faculty, an improved "esprit de corps" and the attainment of recognition by the educational institutions of higher learning are but the most obvious examples. While these and other desirable advances have been realized during the session now closing, it would not be proper to assume that they are the product of the year's thought. The yield of fruit in nature and in any worthy enterprise is contingent upon plans wisely laid and skillfully executed far in advance of expected returns.

May I indulge the hope that as the years come and go your love for Southwest High School and your loyalty to its ideals may continue to grow, and that in service you may ultimately reflect the greatest possible honor upon all who have contributed toward the establishment, expansion, and support of this seat of learning.

S. F. Cernosek

School Board Members Build for Future

Southwest School Board meets in Executive Session: Left to Right, Mr. A. V. Thurman, Mr. S. F. Cernosek, Superintendent, Mr. J. W. Watts, Mr. R. C. Aldridge, Jr., Chairman, Mr. Floyd Jackel, Mr. Nicky Constanzo, and Mr. Edwin Ripps.

Mr. R. C. Aldridge, Chairman of the Board of Trustees.

Members of the School Board are elected for their understanding and knowledge of educational matters.

Setting policies and handling the business side of our schools, their responsibilities require patience and stability. Our school system is privileged to have these capable leaders at its helm.

Trustees Share in Activities of School

Chairman of the Board of Trustees, Mr. R. C. Aldridge, Jr., is assisted by Mr. S. F. Cernosek, Superintendent, as he explains plans for new buildings for 1965.

Mr. and Mrs. Cernosek host luncheon for guests and board members. Mr. Floyd Jackel enjoys the meal prepared by members of the homemaking department.

Board members attend a luncheon during Thanksgiving holidays. Mr. and Mrs. Ripps, Mr. and Mrs. Krueger, Mr. and Mrs. Aldridge, Mr. and Mrs. Constanzo, Mr. and Mrs. Jackel, and Mr. and Mrs. Watts were among the special guests.

Book I

High School

When a Camera Clicks, We Know It's Candid

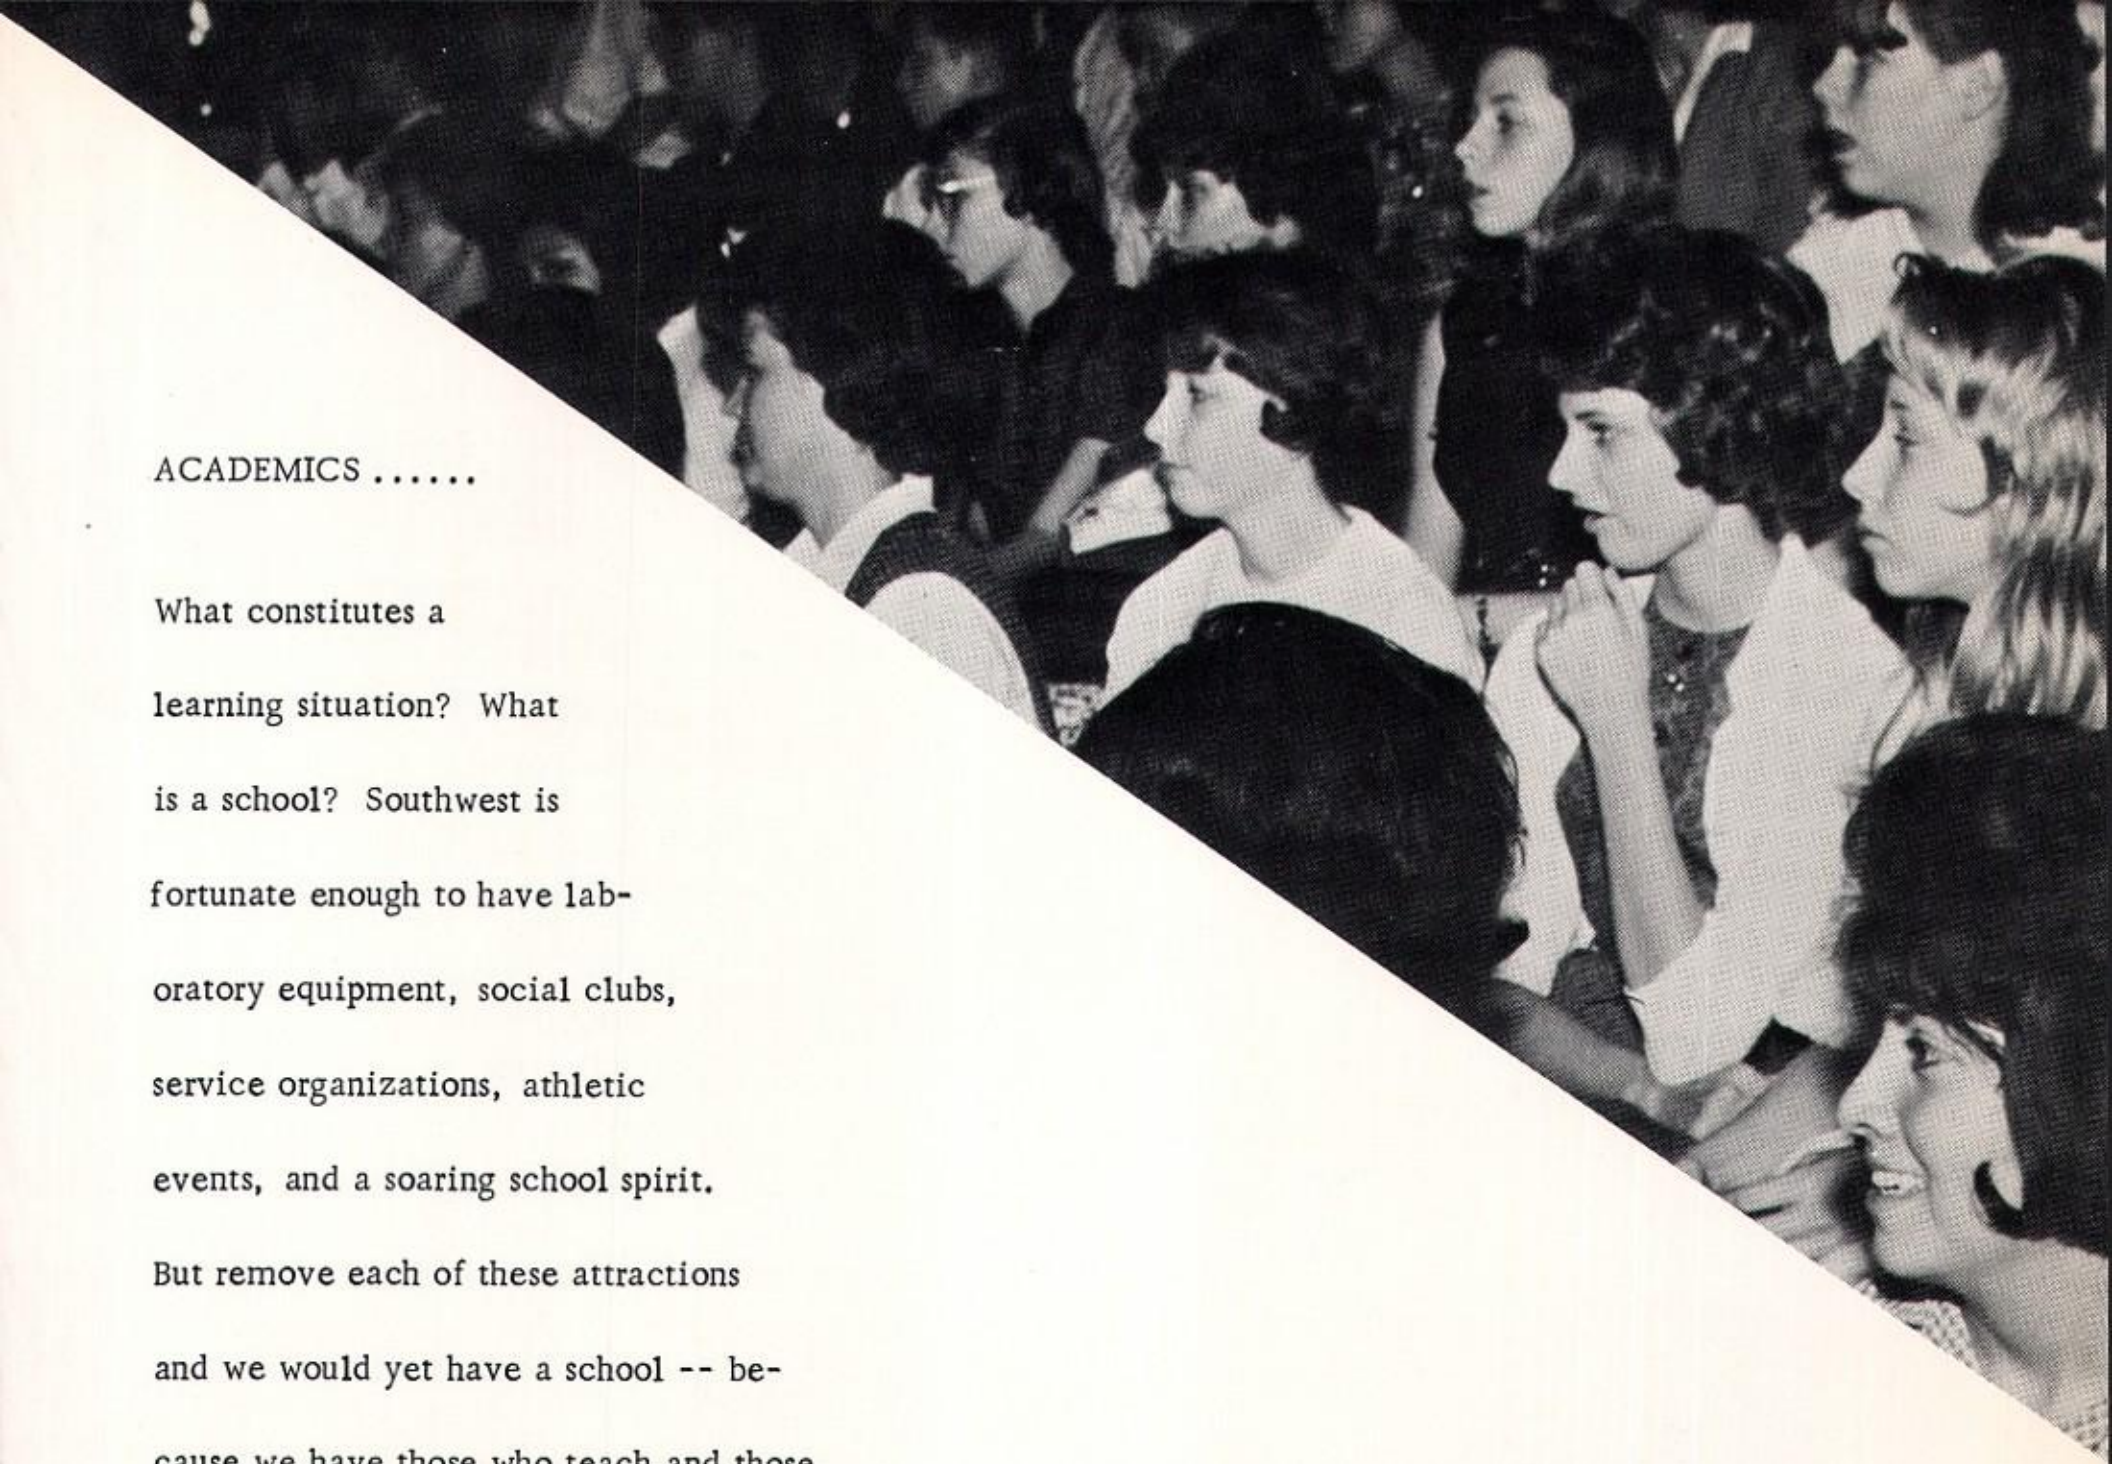
Give it the old Rah, Rah, Rah, Boys! High School pep rallies are good and loud with plenty of pep exhibited by all.

Wanda Roe and Lois Massengill discuss the football game for Friday night.

Delores Nobles tells Daniel Lopez about some of the fine points of marching and what it can do to tennis shoes.

Dances in the Gymnasium become "sock hops" after Football games on Friday nights.

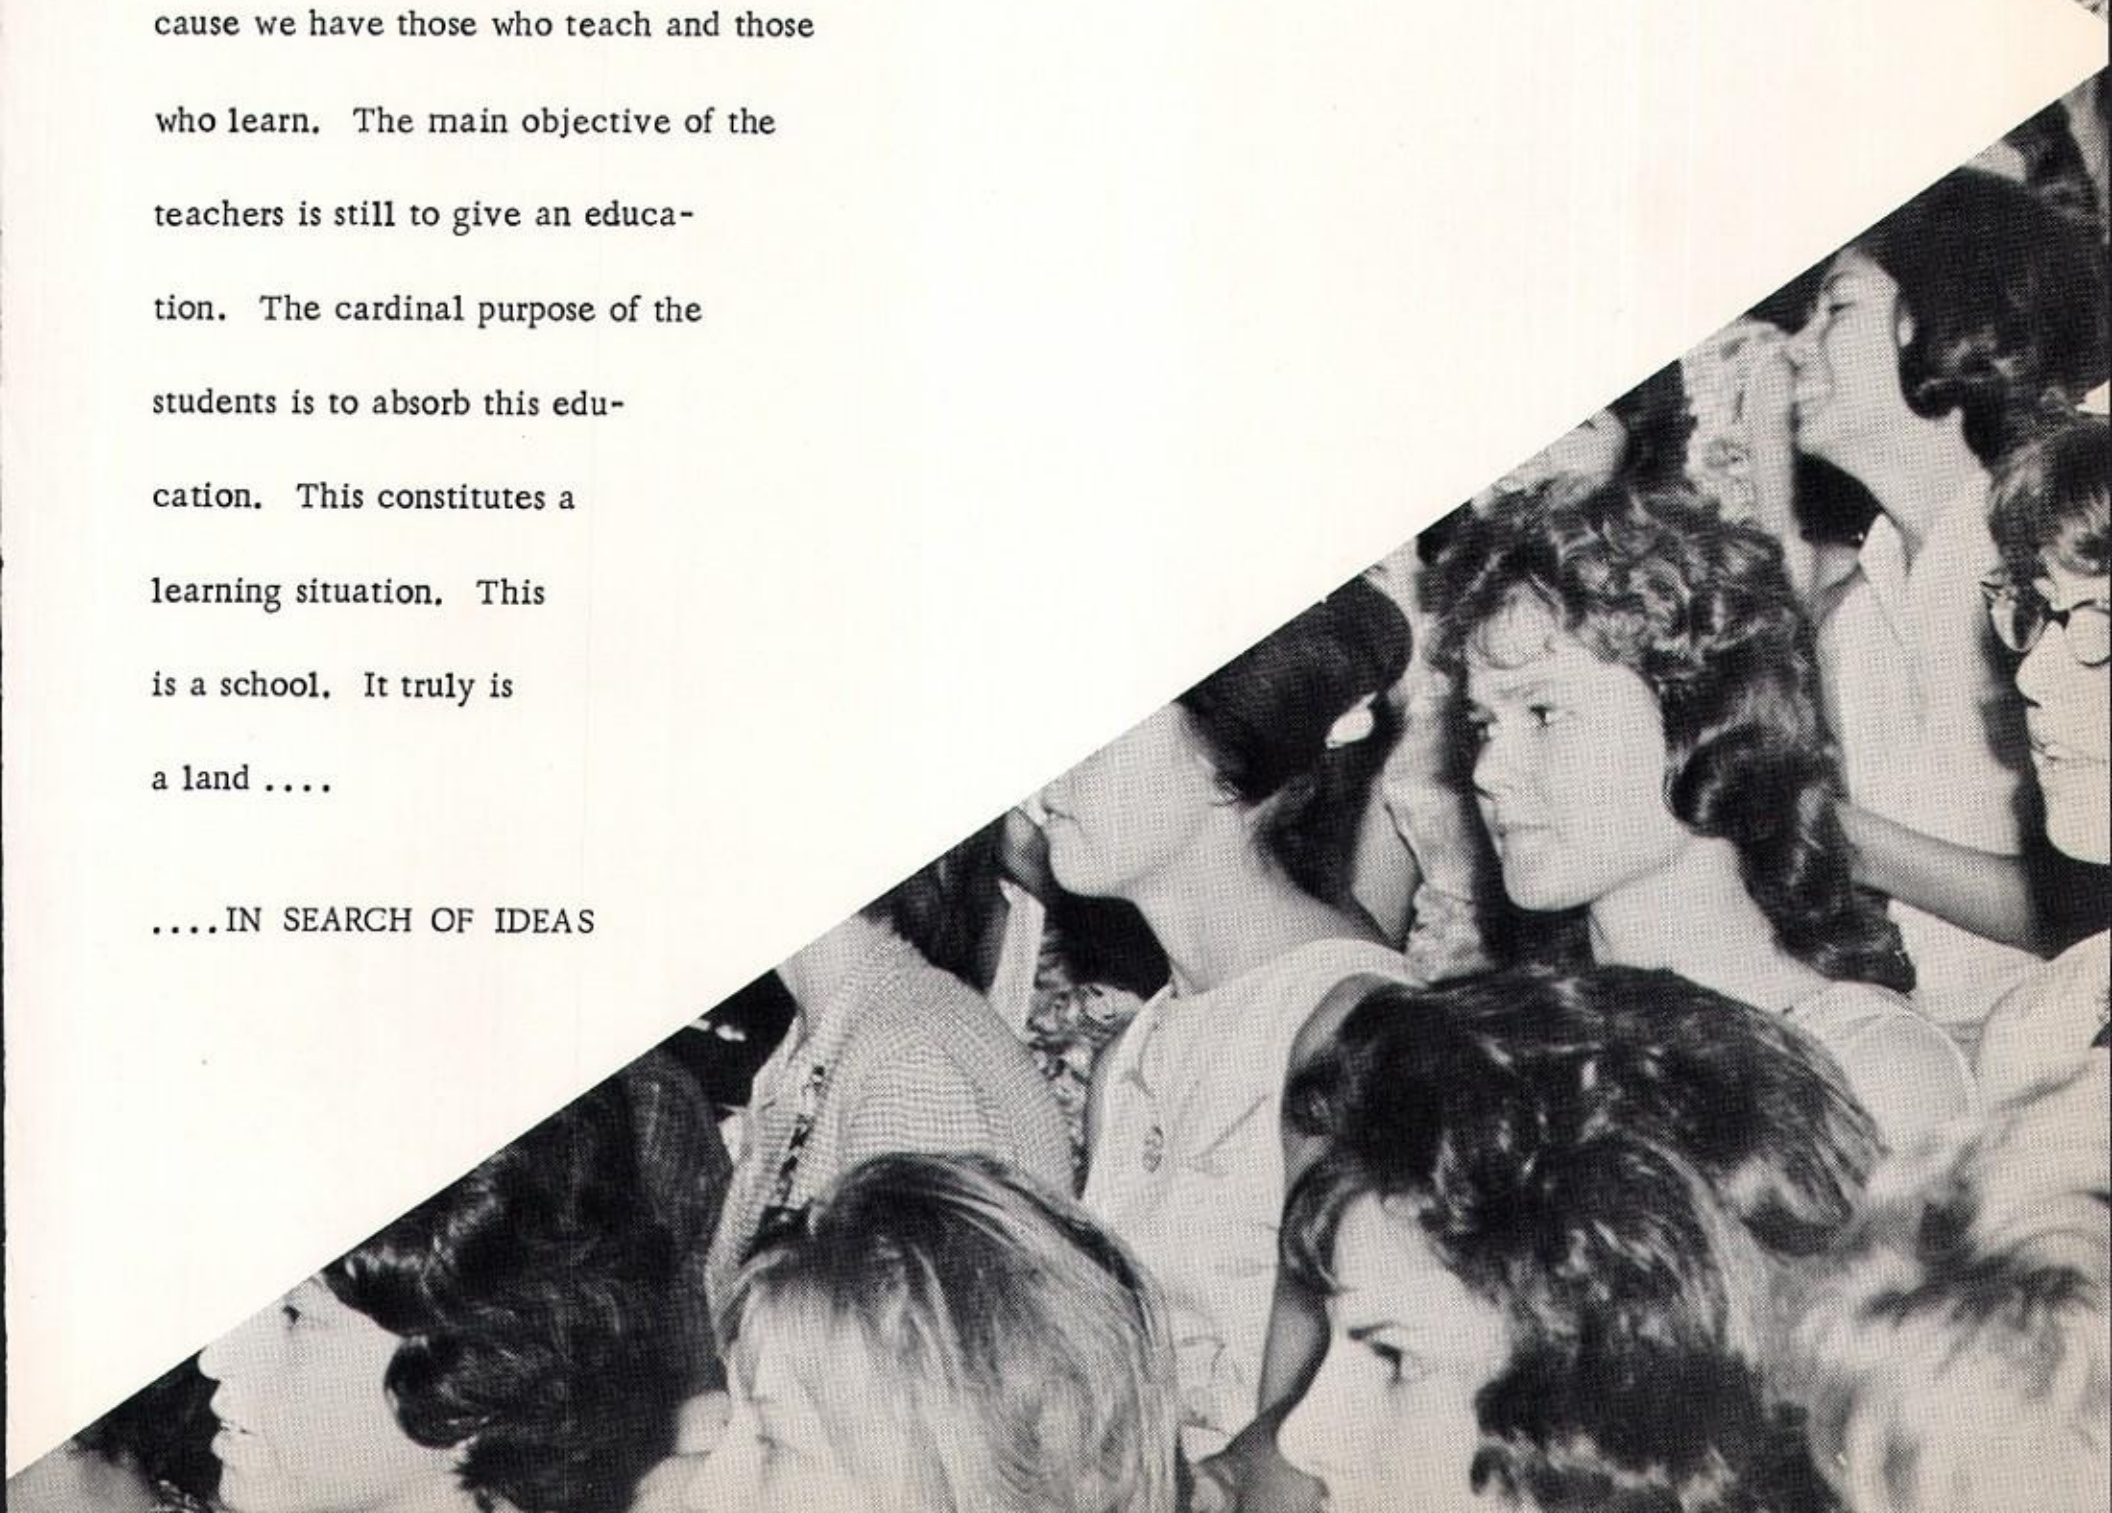
Cheers and shouting humanity are featured "players" at all the pep rallies.



ACADEMICS .....

What constitutes a learning situation? What is a school? Southwest is fortunate enough to have laboratory equipment, social clubs, service organizations, athletic events, and a soaring school spirit. But remove each of these attractions and we would yet have a school -- because we have those who teach and those who learn. The main objective of the teachers is still to give an education. The cardinal purpose of the students is to absorb this education. This constitutes a learning situation. This is a school. It truly is a land ....

....IN SEARCH OF IDEAS



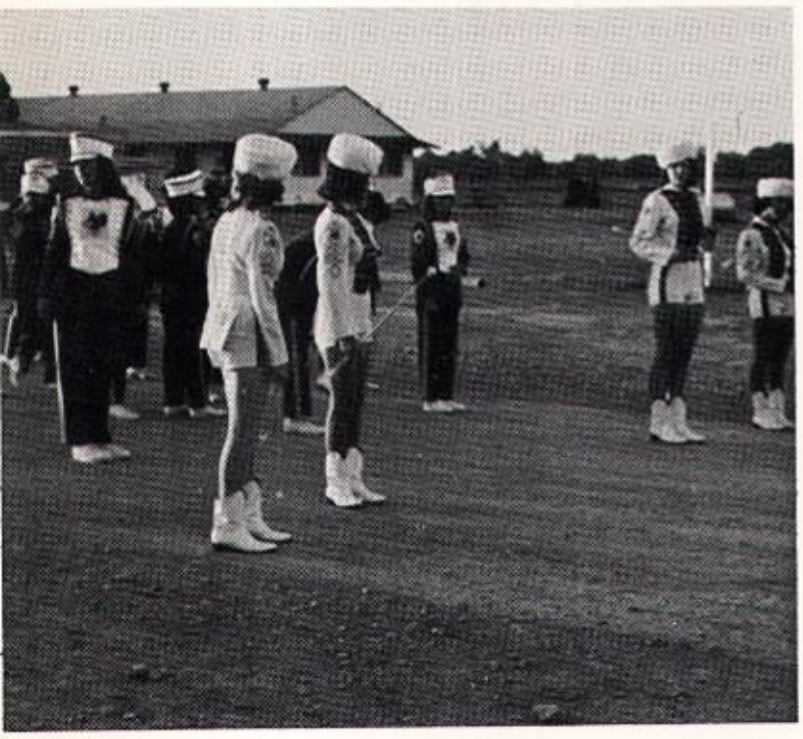
Busybodies in Action

Even Lou Ann Stark can't escape the prying eye of our cameraman.

Students meet before school to see who got their homework!

Physical Education class forms a pyramid to show off their agility.

Marilyn Rosser concentrates in Miss Powell's English class, while Ann Collins, Susan Constanzo and Bobby Prather prepare for class discussion.



Band awaits inspection before Randolph game.

Terry Howeth and Beverly Dowda are served at the buffet table during the Harvest Moon Ball.

EDUCATOR.....

SPORTSMAN.....

LEADER.....

s a true educator, Mr. Mueller has
edicated his life to his job. He
ttends all school activities, including
ll sports events.

MR. CLIFFORD A. MUELLER, having served Southwest for many years as coach and science instructor and three years as Principal, received his B. S. from Texas A. & M. and his M. Ed. degree from Trinity University.

With an eye to the future, Mr. Mueller has brought Southwest through three years when the public eye was suddenly on education. In the rush to stress the importance of mathematics and science, he never overlooked the equal importance of the electives, lending his constant support to the subjects which give us a wider point of view. His every decision is made with care as he unceasingly tries to make our years at Southwest both happy and worthwhile.

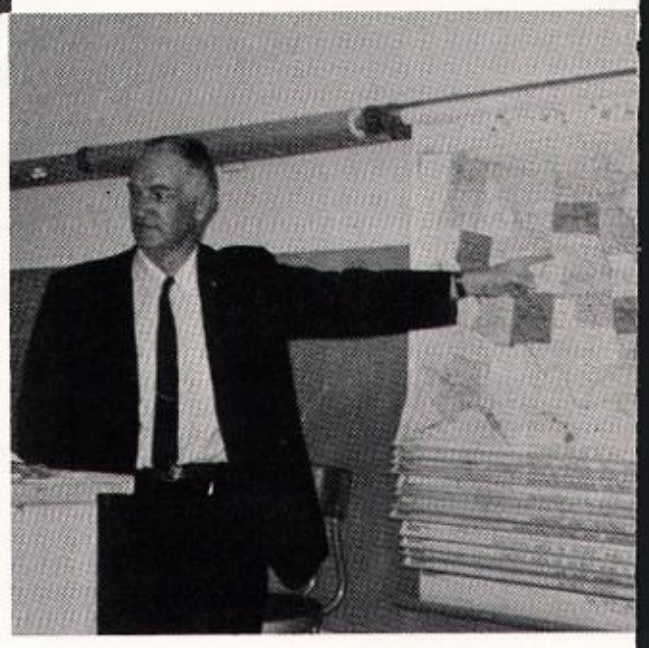
CAPABLE.....

TEACHER.....

ADMINISTRATOR.....

COL. A. D. HALL, Vice-Principal and Administrative Assistant to the Superintendent, received his B. S. degree from Southwest Texas State College. A word of advice, a thoughtful decision, a question answered with care -- Col. Hall's influence is felt in all parts of our school life. His obligations are carried out with our welfare in mind, and it is with much deliberation on his part that new rules and regulations are made.

In our contacts with Col. Hall we become more and more confident that his administrative skill will maintain and increase Southwest's position in this district.



We are fortunate to have an able teacher like Col. Hall to teach American History and Government to our students.

AMIABLE.....

JUDICIOUS.....

PHILOSOPHICAL.....

Mrs. Myrtle Shepherd introduces St. Mary's representative to seniors interested in a college career.

MRS. MYRTLE B. SHEPHERD serves as Supervisor-Counselor for Southwest Independent School District. An eagerness to make our problems her own is a characteristic for which Mrs. Shepherd is rightfully admired. Her friendly smile brightens social gatherings, and the air of efficiency with which she carries out her obligations instills confidence in all who seek her guidance. Frowns of frustration are transformed into smiles, as, in her capable hands, our problems easily dissolve.

Southwest Teachers' Association Seeks High Standards

Officers of the Southwest Teachers' Association are pictured above: First Row, Mr. John Kerchville, First Vice-President; Mrs. Estelle Mask, President; Mrs. Lola Robertson, Secretary; Second Row, Mr. Lewis Patton, Second Vice-President; Mr. Kenneth Lyssy, Treasurer.

The Southwest Teachers' Association was organized in the year, 1962-63, with Mr. Howard Richardson as president. The organization is affiliated with the Texas State Teachers' Association and the National Education Association.

The organization has as its purpose the promotion of the progress of education in the state of Texas. The association helps keep the teachers informed concerning legislation, professional standing, teacher tenure, certification, graduate study and improvement in public relations.

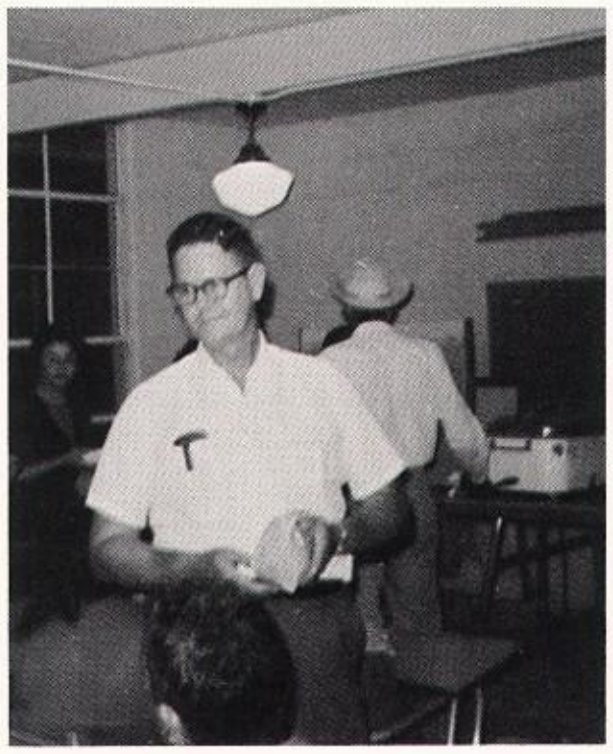
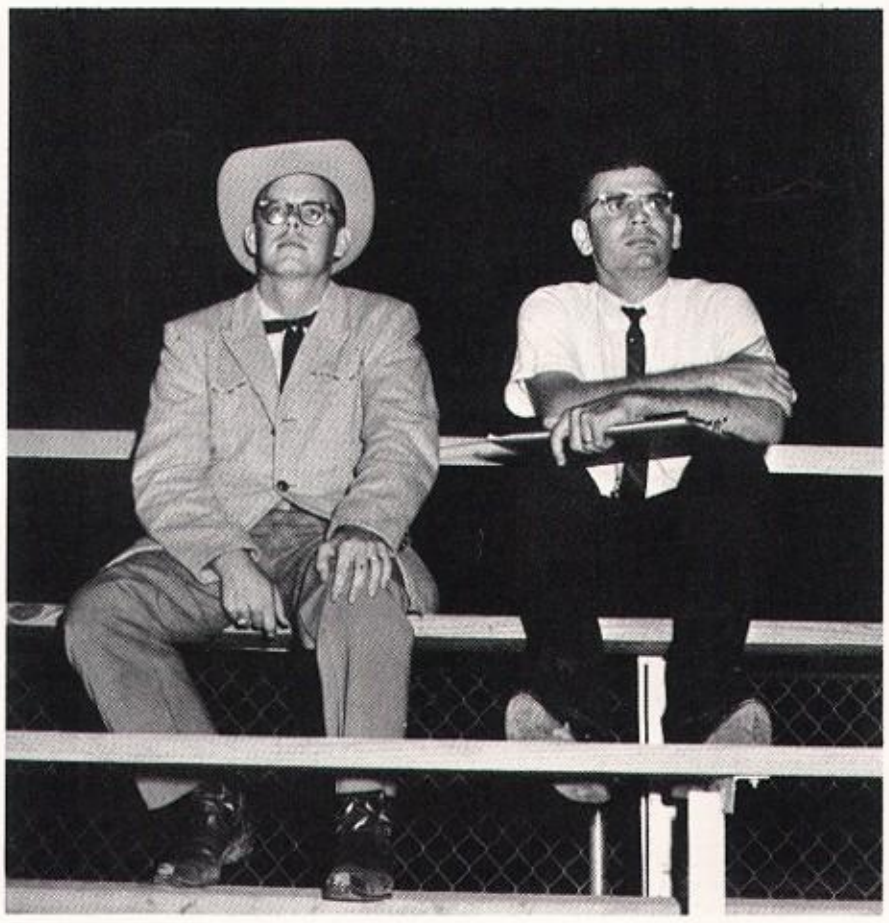
Faculty Makes "All the World's a Stage" Come True

Miss Mary Goody directs the High School Chorus students in a program for a student assembly.



Mr. Howard Richardson enjoys food at P.T.A. Carnival on Halloween.

The Faculty-Varsity Basketball game was a huge success, as usual! Members of the faculty who participated were pictured above: Kenneth Lyssy, John Kerchville, Alvin Rhodes, Ronald Wiederstein. Earl Hessong is receiving heroic first-aid treatment!



The grandstand affords rest for Mr. Thomas Kendrick, Pep Squad Sponsor, and Band Director, Mr. Michael Pagonis.

Bus Drivers Are Loyal Personnel

Men of strength and valor are these couriers and drivers for Southwest High! Left to Right, Mr. Dave Meckel, Mr. Louis Patton, Mr. H. D. Jack, Sr., Mr. Earl Hessong, Mr. Vol Peterson, Mr. Alfred Tondre, Mr. Gilbert Cassillas, Mr. George Woolf, Mechanic. Also, Mr. Rudolph Vogt, Mr. Richard Wauson, Mr. Calvin Buchholtz, Mr. Kenneth Lyssy.

Other drivers are Mr. Jim Collins, Mr. Jesse Holden and Mr. Russell Hoch.

Mr. Vogt, Mr. Meckel, Mr. Peterson, and Mr. Jack discuss the safety precautions every school bus driver must be concerned with while transporting students to and from school.

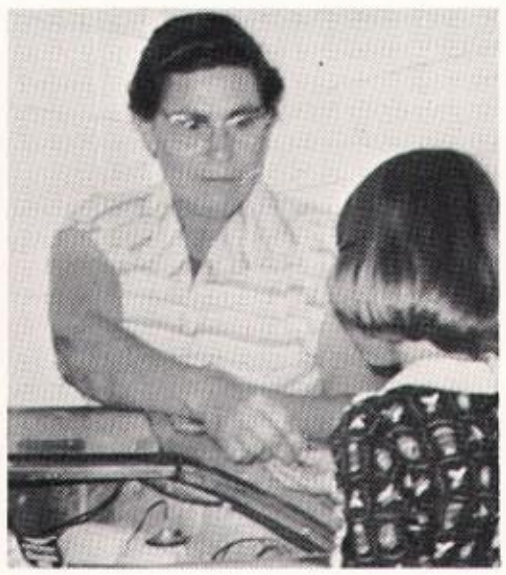
Mr. Casillas and Mr. Tondre, law enforcement officers, make sure all busses are legally safe to operate. Mr. Buchholtz checks rear windows.

Maintenance . . . Custodians . . . Cafeteria -- Personnel All Work Together

Mr. Leon Gayoso is Maintenance Supervisor for the School.

Mrs. Dominga Casas finds dusting and cleaning are endless tasks!

Supervising the Bus Garage is full time job for Mr. George Woolf.



Mrs. Maria Martinez, besides serving as Custodian, collects money for milk in the Cafeteria.

Cafeteria workers have long but rewarding hours. Pictured above are Mrs. Pruit, Mrs. Kuykendall and Mrs. Tondre.

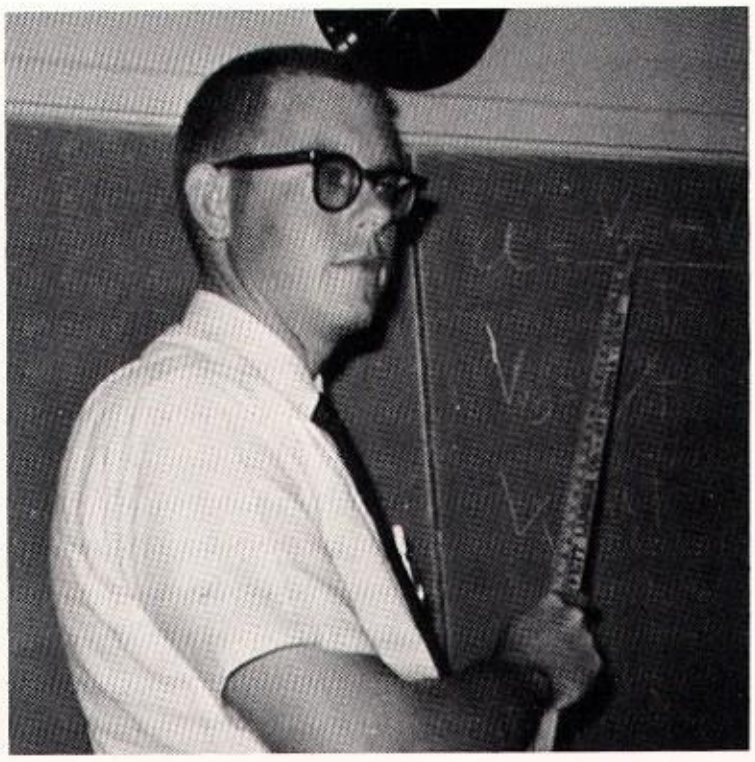
Mrs. Carter and Mrs. Holden check and wrap silverware during a "leisure" moment.

Departments

Tools of the Mind

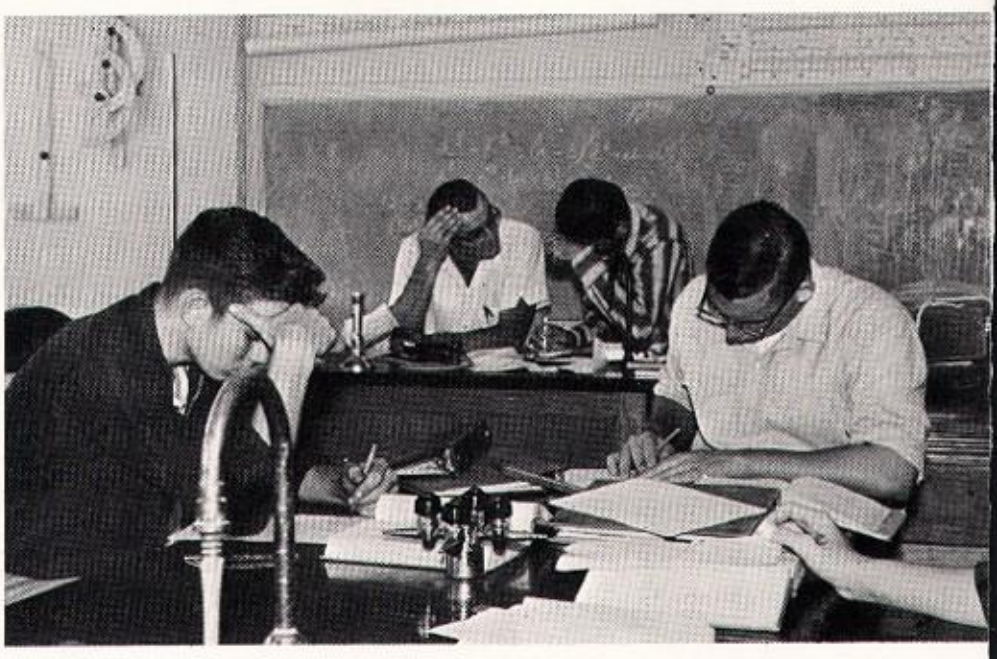
Mathematics Improves Reasoning

Mr. Seth Hoke shows Rodney Reyes and Mary Rodriquez how to work a problem in 8th Grade Math class.



Algebra takes on new meaning as Mr. Tommy Kendrick demonstrates problem on board.

Geometry is Mrs. Scott's "dish of tea." She is shown here working a problem in Geometry for her students.



Pete Martinez gets a coaching session with Mr. Kenneth Lyssy. Louis Purvis and Keith O'Neal are hard at work.

Students in Mathematics have a wide variety of courses open to them.

The paramount importance of Mathematics in the modern world assures a continuing demand for expert training in this science and for the discipline of mind which it provides.

F. H. A. Promotes Fundamentals of Home Life

Learning the basic skills of cooking requires the competent help of Mrs. Carol McDonald. Oralia Tobias and Amalia Garcia assist in a cooking lesson.

One of the hazards of cooking class is the unhappy task of washing dishes! Augustina Hernandez and Mary Alvarado can testify to this.

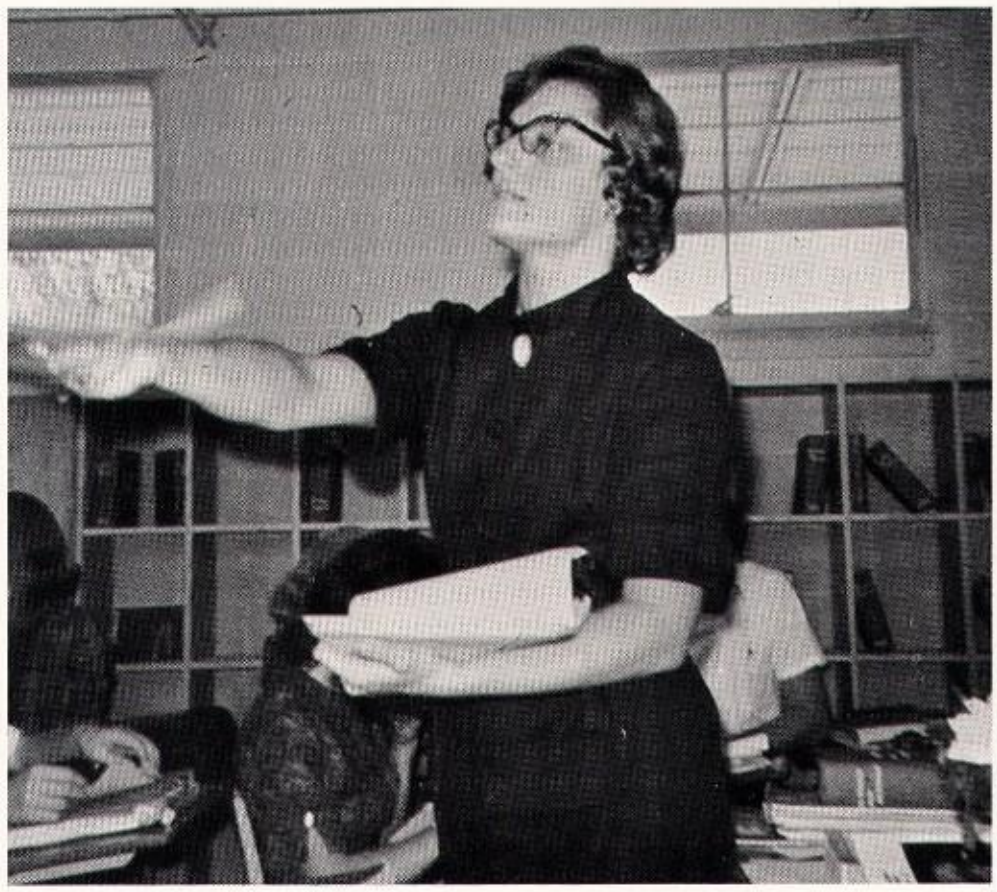
Future Homemakers of America activities revolved around interests both at school and at home. Arranging style shows, Christmas arrangement displays, and planning Student Council and Faculty dinners benefited the student body. Learning the fundamentals of home life -- cooking, sewing, mending -- enabled members to prepare themselves for the future.

Beverly Dowda and Margaret Garnett "talk over" the alteration of a garment.

Babs Collins watches as Mrs. Mary Ramirez gives helpful tips on sewing.

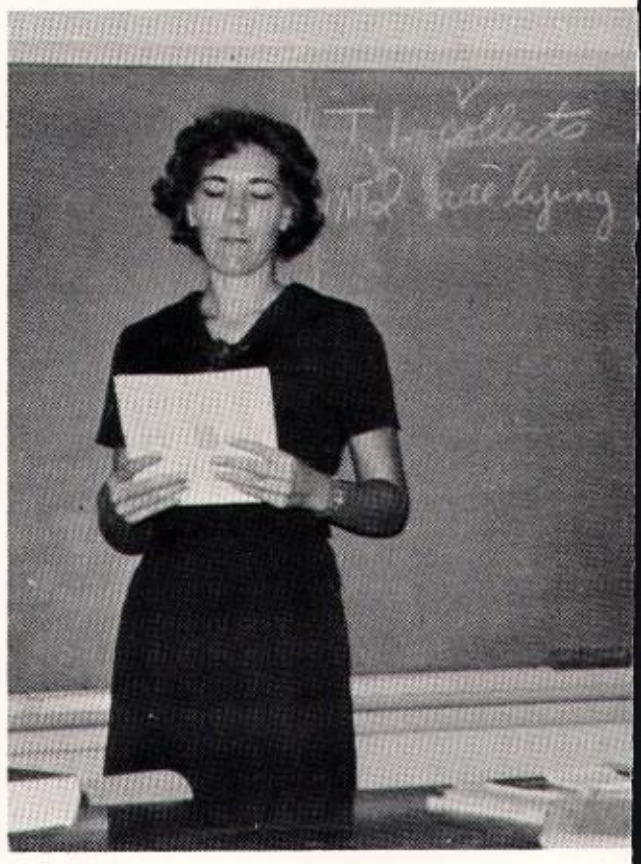
Knowledge of English Essential in Education

Mrs. Jennie Byrom shares a story with her English class.



English tests returned by Miss Betty Powell will bring joy and anguish to young writers.

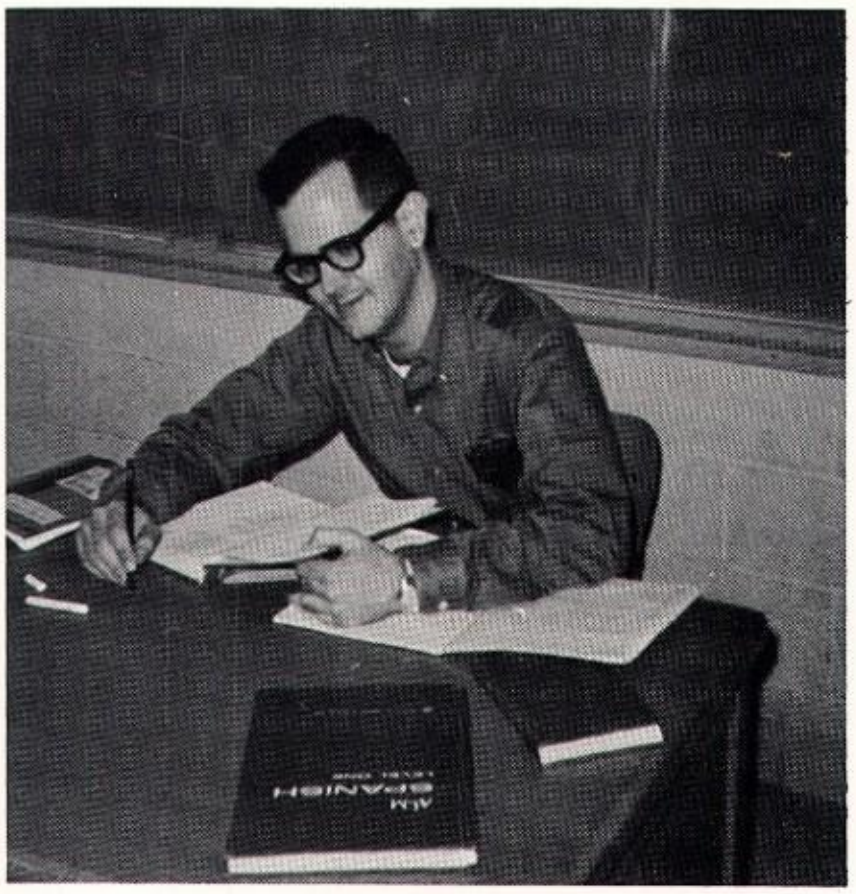
Mrs. Dora Helfrich brings her English class to Library for reading period.



"Filling in the blanks" is one of Mrs. Rose Hudson's hardest tests.

At one time English was considered by many to be time-wasting and inessential. Today the leaders of government and industry are finding that English is perhaps the most practical of all courses. Few men make a more valuable employee than the man with reverence for the language which he speaks.

Foreign Languages Develop Fluency

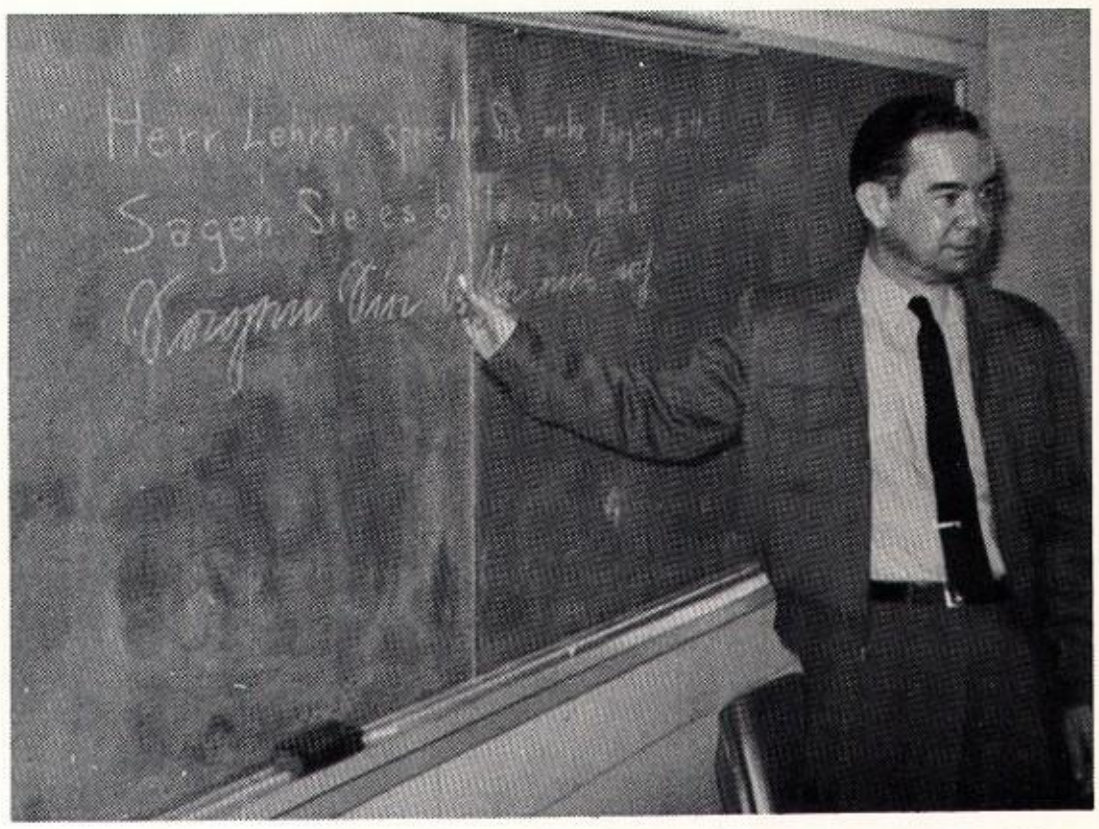


Conversational Spanish has taken on new meaning with Mr. Alan Ginsberg teaching all the Spanish courses at Southwest.

Miss Betty Powell pronounces words in French class as students listen attentively.

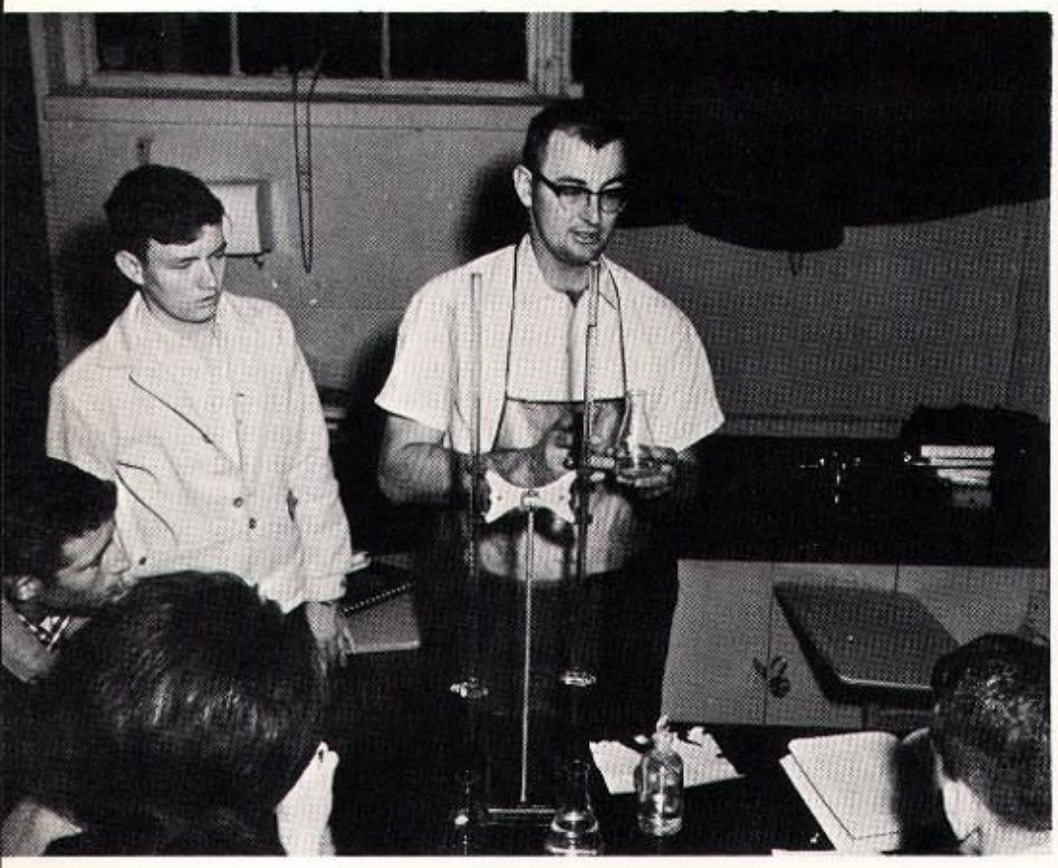
French, German and Spanish are the three foreign languages offered at Southwest. Phonetics, pronunciation and practical conversation are practiced by students enrolled in these courses.

Tape recorders and records improve accents and bring better appreciation and understanding of all peoples as a result of the study of these languages.



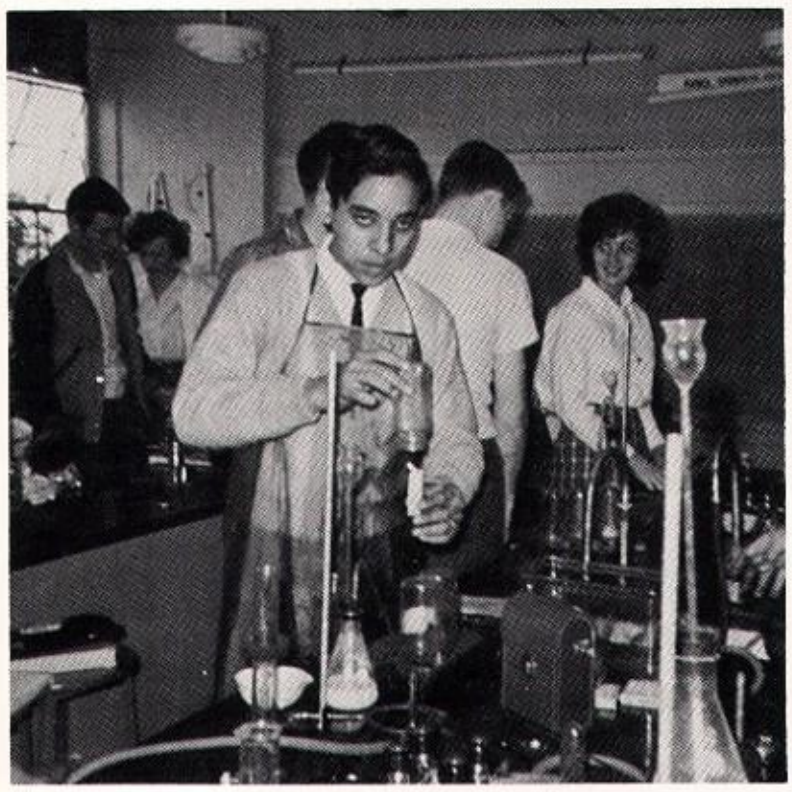
"Herr Lehrer, sprechen Sie mehr langsam bitte." Mr. Walther Ives, teacher of classes in German, points out sentence on the board which he interprets as "Mr. Lehrer, please speak more slowly."

Advanced Sciences Offered to Students



Jerry Thompson looks on attentively as Mr. Lyssy explains the reaction of Phenolphthalein on acid to William Sprague, Sharon Melton, and Willard Ferguson.

Roy De La Cruz and John Below attempt to decolorize cider vinegar using bone black.

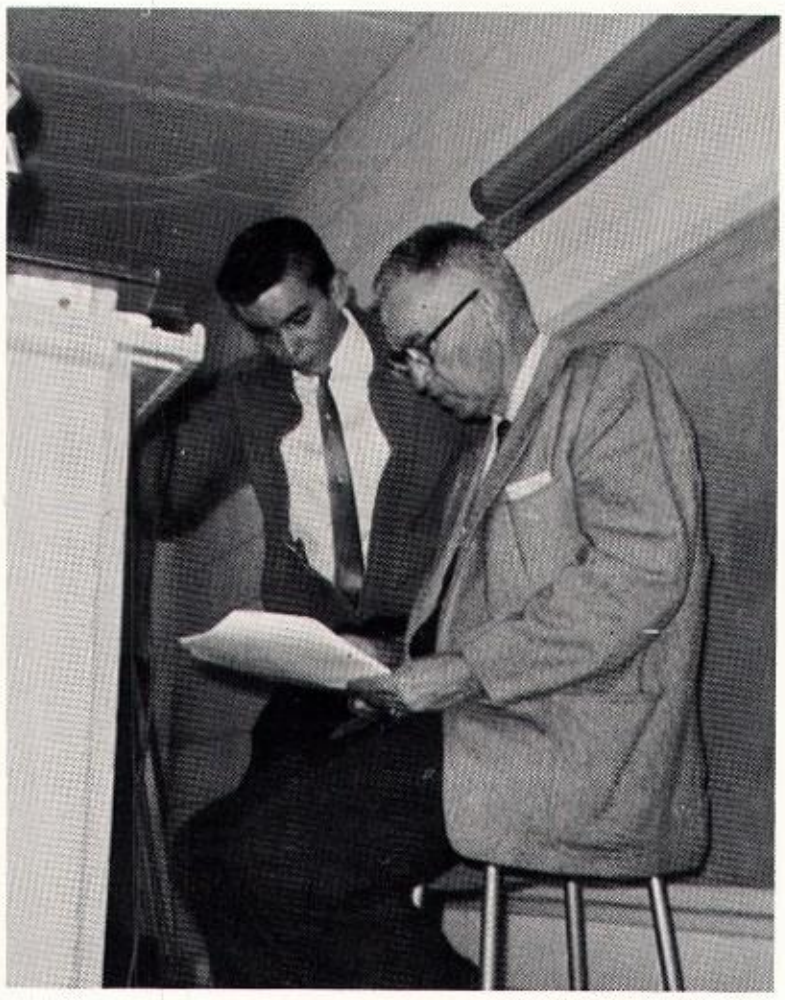


David Garcia puts out a candle with carbon dioxide to complete his experiment.

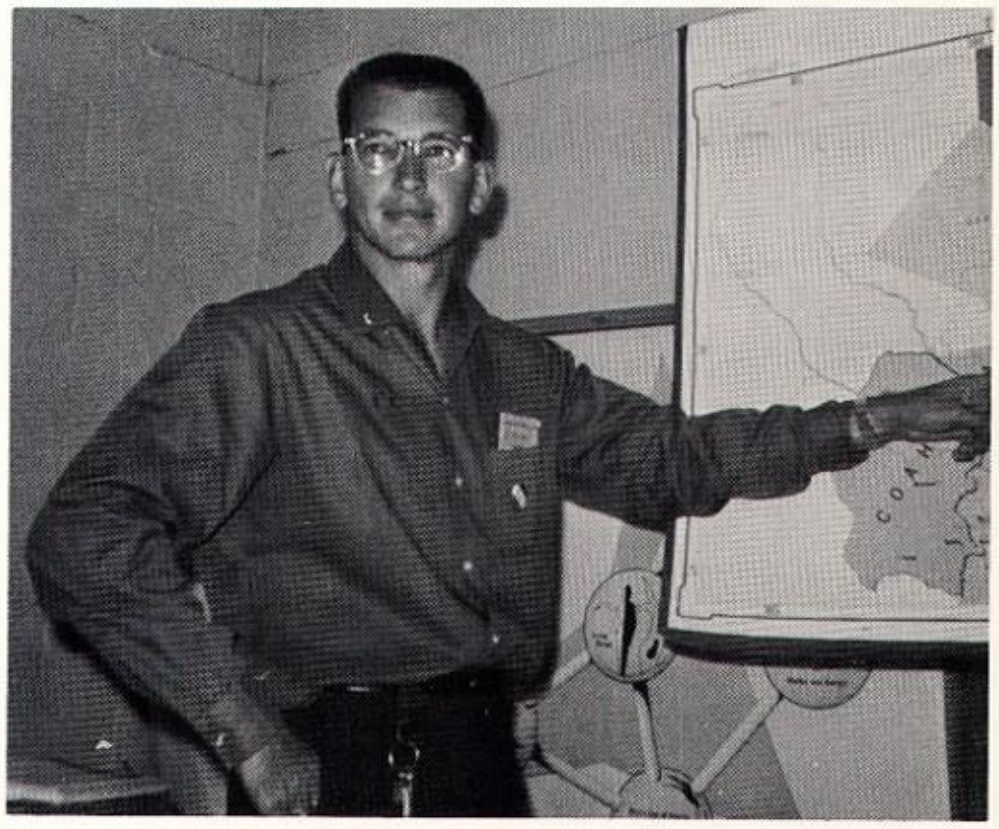
Ricky Prather, Jerry Thompson, William Sprague, and Don Robinson prepare Methane, a hydrocarbon fuel.

An extremely explosive subject in our world today is science. With the opening of a new era of missiles, satellites, rockets, and man-made moons, science majors are more than ever in demand. To equip students for this new chemical world, Southwest offers chemistry, physics, biology, and physical science.

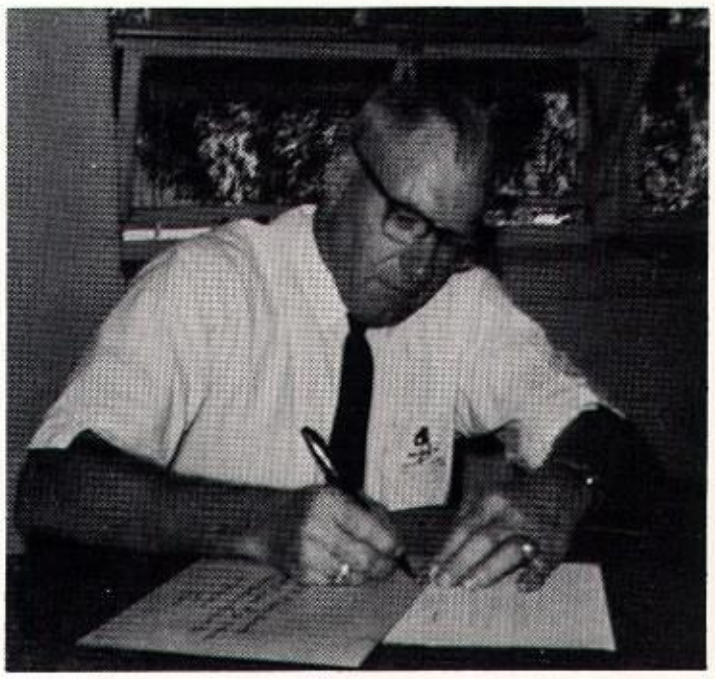
History Combines Old With New



Mike Glowney seeks advice of Col. Hall on one of his term papers.



Texas History comes to life under the teaching of one of our history teachers, Mr. Earl Hessong.



Mr. C. A. Mueller prepares for a class in addition to his duties as Principal.

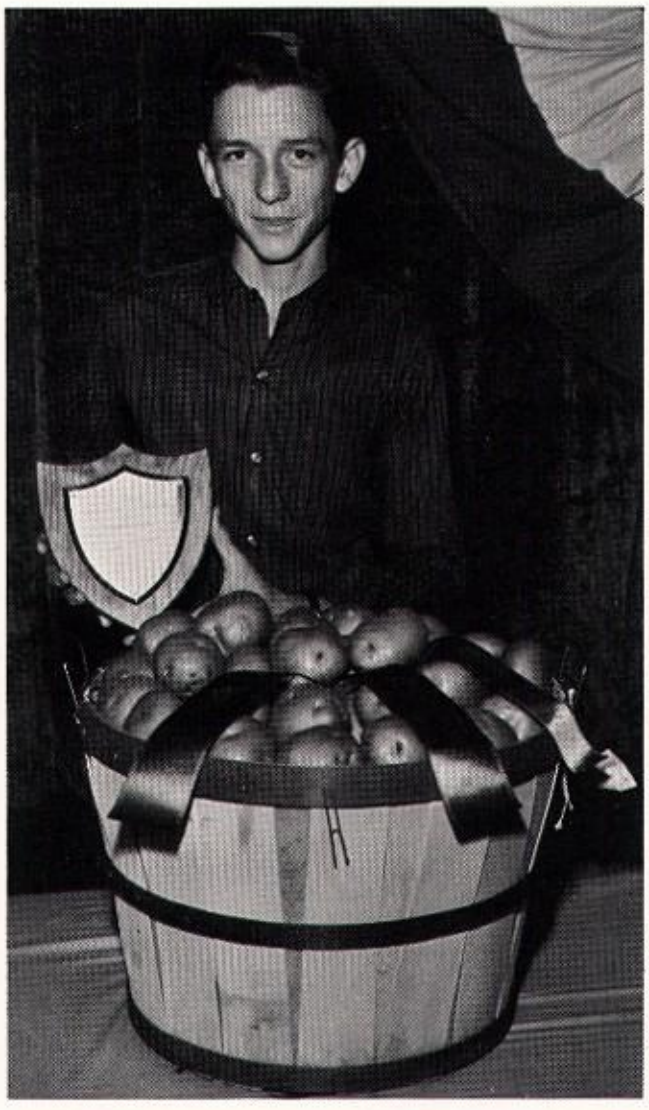
The Little Theater classroom affords an excellent place for large groups of classes to meet. Mr. Don McAskill uses the "mike" to lecture.

Included in the History Department at Southwest are classes in American History, Government, World History, and Texas History.

During the semester students take field trips to the Bexar County Courthouse, San Antonio City Hall, the Alamo and other mission points, Witte Museum, and the Main Library.

Future Farmers of America

Senior Chapter Conducting, 2nd in Alamo District. L to R, First Row: Earl Gray, Keith O'Neal, Ted Robinson, Johnny Contreras; Second Row: John Kerchville, Don Robinson, Richard Hamon, Pat Pritchard, Howard Richardson. Mr. Richardson and Mr. Kerchville advise this group.



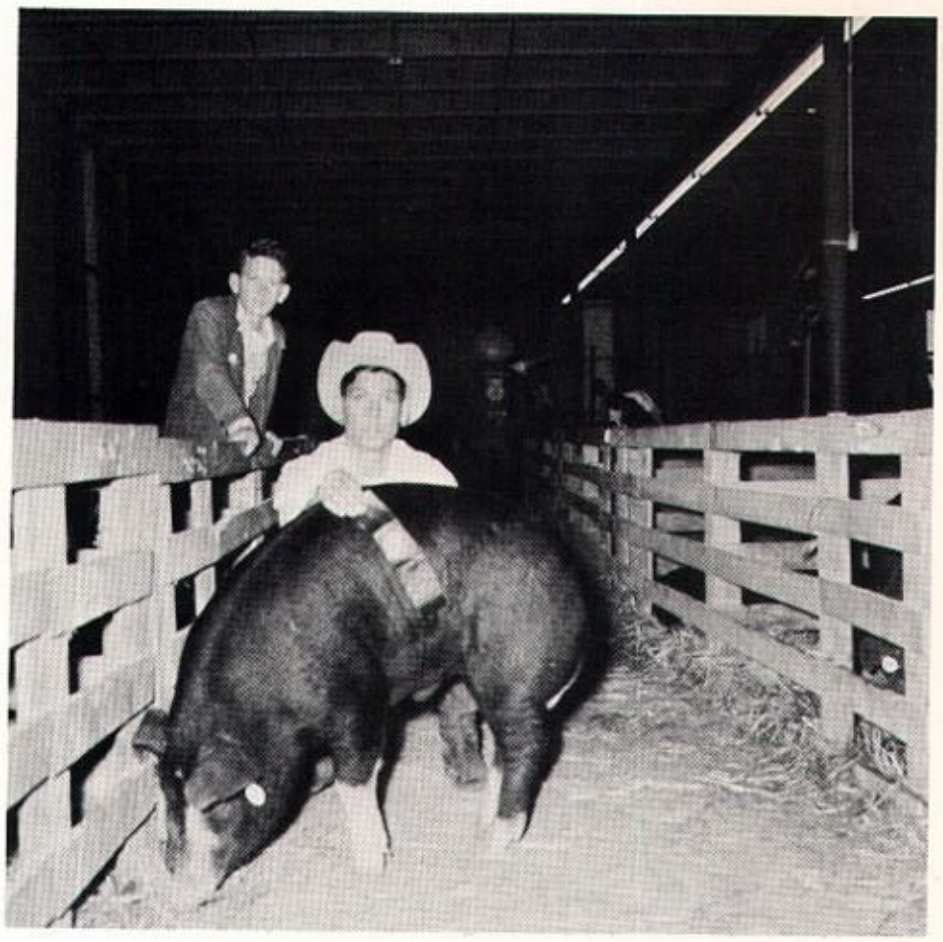
Henry Verstraeten, Jr., F.F.A. Grand Champion Potatoes at 13th Annual Vegetable Day Show, Joe Freeman Coliseum, purchased by Piggly Wiggly for $700.00. Henry also placed 2nd for Cauliflower in Adult Division for $300.00.

Junior Farm Skills Division: First, San Antonio Public Service Contest; First, Alamo District Contest; Second, Area VII Contest. L to R: Ronnie Lindig, John Kerchville, Mike Lampkin, Howard Richardson, John Perez.

F.F.A. Quiz in Alamo District, Second Place Team: L to R: Alan Coldewey, David Buford, Howard Richardson, Joe Estala, Willie Perez.

Participate in Shows

Henry Rosfeld, 4th Place, Medium Cut Berkshire Barrow, San Antonio Livestock Exposition.



Herman Hinojosa, 7th Place, Poland China Barrow, San Antonio Livestock Exposition.

Mike and Robert Lampkin, 6th Place, group of Lambs, San Antonio Livestock Exposition. Jimmy Roberts assisted in showing lambs.

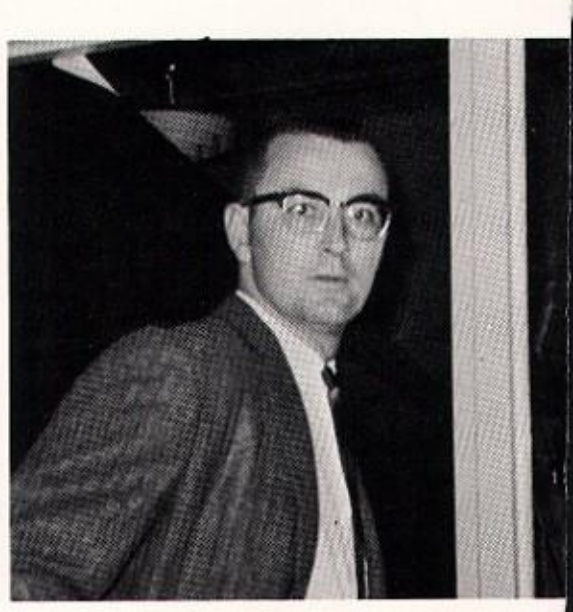
Calvin Buchholtz, 4th and 6th Place, Berkshire Barrow, Heavy Weight, San Antonio Livestock Exposition.

Experiments Supplement Science Lectures

Physical Science claims the attention of Ruben Castro, Sylvia Huron, Hope Guzman.

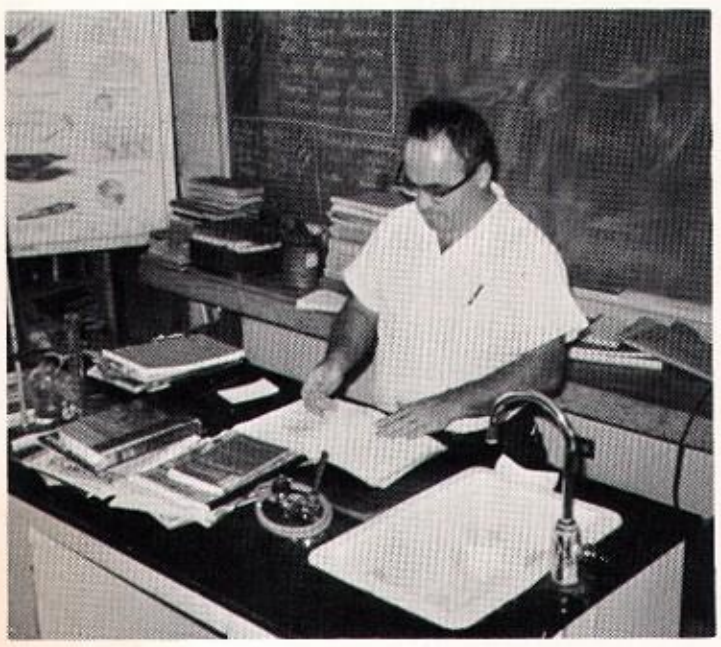
H_2SO_4, while puzzling to many, is like a second name to students in the Science Department. Under the guidance of able instructors students can prepare themselves for a course or career in a field of the future.

Not since the days of the alchemists and their dream of abundant gold has man placed so much hope for the future on scientific experiments.



Mr. Lyssy looks serious. Chemistry can bring problems to teachers, too!

Science lab is more interesting due to the use of audio-visual equipment. Mr. Chambers makes good use of it in class.

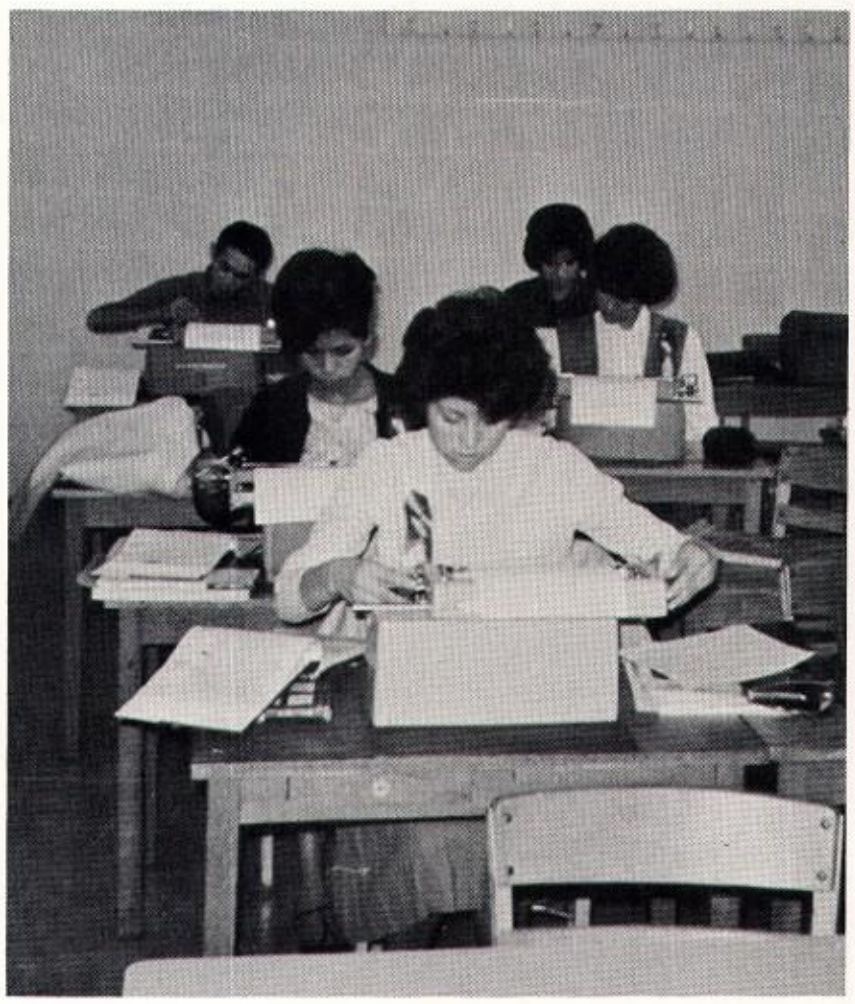


Mr. Leather works on lesson preparation in the Junior High Science Lab.

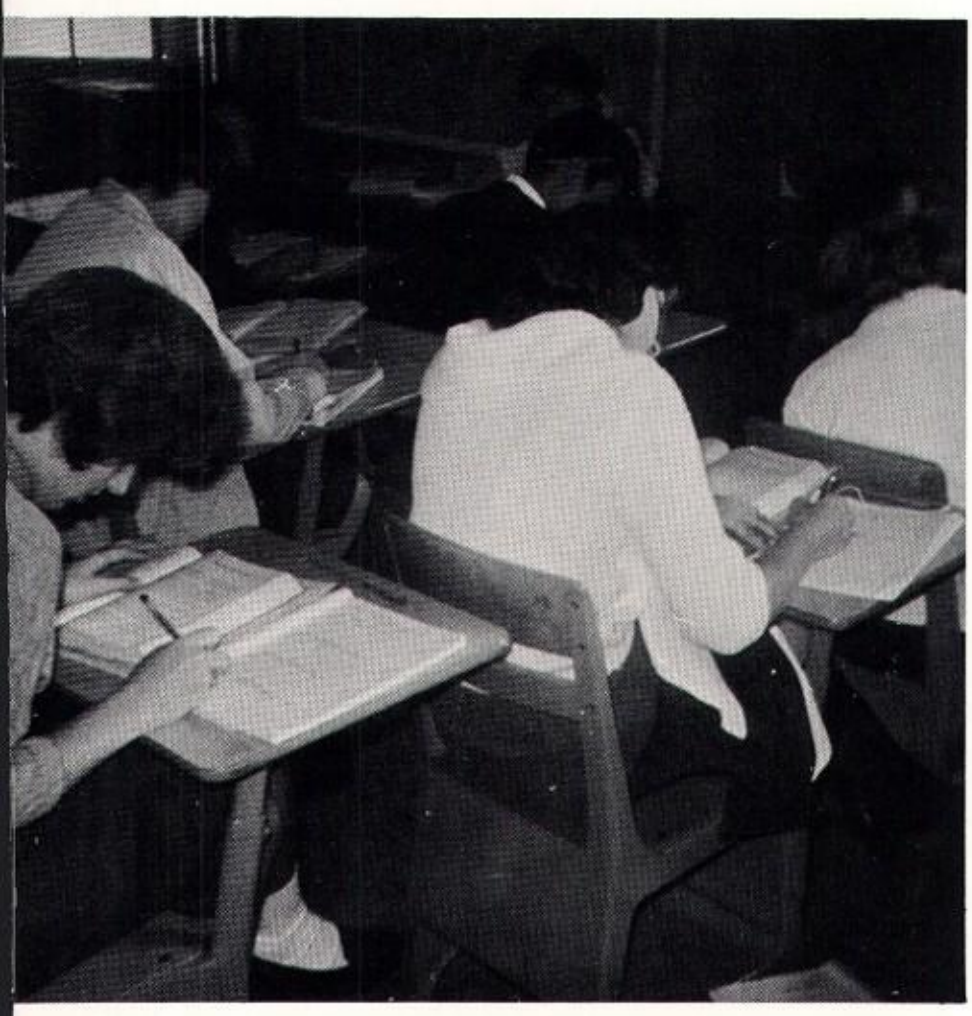
Workbooks are used in Physical Science to augment the materials studied. Thomas Alvarado, James Murphy, Ronni Curry, and Evelyn Edmundson work in Lab.

Typing and Bookkeeping Classes Prepare for Business World

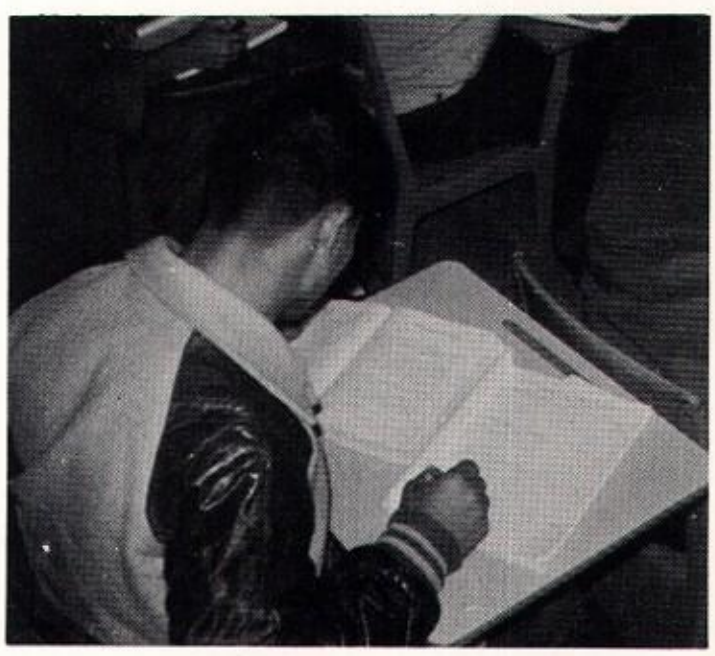
Speed in typing drills becomes an important tep to achieve in making good as a typist. Linda Frazier, Delores Casas and David Clark ry to make the mark.



Typing II class is an advanced group of students who have speed and accuracy. Augustine Hernandez, Alvera Campos, Frances Romer, Mary Mercado, and Frankie Ramos are participants in this group.



yce Bell and Ann Collins are busily engaged in balancing eir books for the bookkeeping assignment.



Antonio Alvarado completes section of bookkeeping lesson.

To develop competent business leadership, to create more interest and understanding in the choice of occupations, and to strengthen the confidence of young men and women in themselves and their work are the purposes of classes in typing and bookkeeping.

Dragon Band Is Tops

Mr. Michael Pagonis directs another new number as members play.

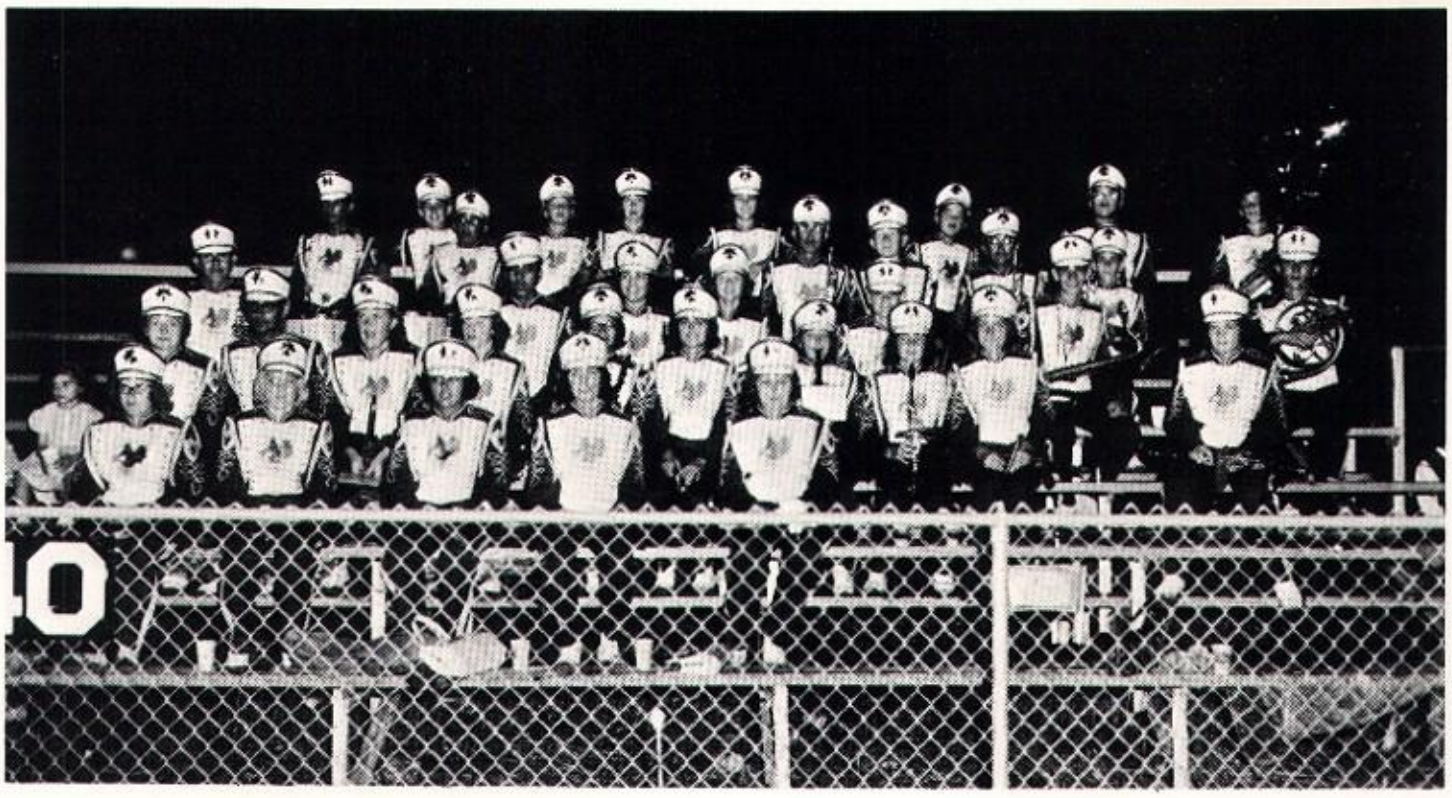
Our coronet and trumpet section is an essential part of the Band.

Part of our brass section and flutes practice a difficult number.

The "before" game inspection is necessary for a well organized band. Mr. Pagonis performs the honors.

The Dragon Band marched in many parades, one of which was the parad in Kingsville. The band received a trophy for coming the greate distance.

in Color, Spirit -- Pep



Southwest Dragon Band at half-time on home stadium ground. The game played on this occasion was with Nixon, our first football game of the season.

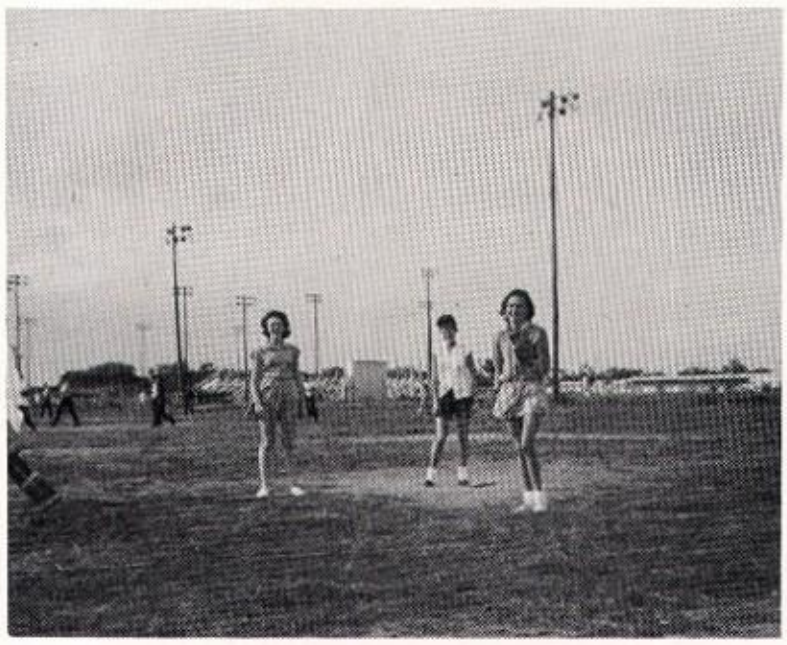
Western parade during the week of the Stock Show afforded an opportunity for the Band to show expert marching skill.

Marching knee-deep in mud on a rainy morning, or carrying a twenty pound instrument in a seven mile parade, might not seem like fun for some. But to the members of the Dragon Band the drudgeries of practice and hard work are responsible for their success. Led by Mr. Michael Pagonis the band performs at games, assemblies, and marches in parades. The green and white uniforms, the green, silver, and white uniforms of the drum major and majorettes, give every member of Southwest, past, present, or future, a feeling of pride in being one of Southwest's own.

Many evenings after school, band members concentrated their efforts out on the football field to perfect their drills and prepare for marching contests.

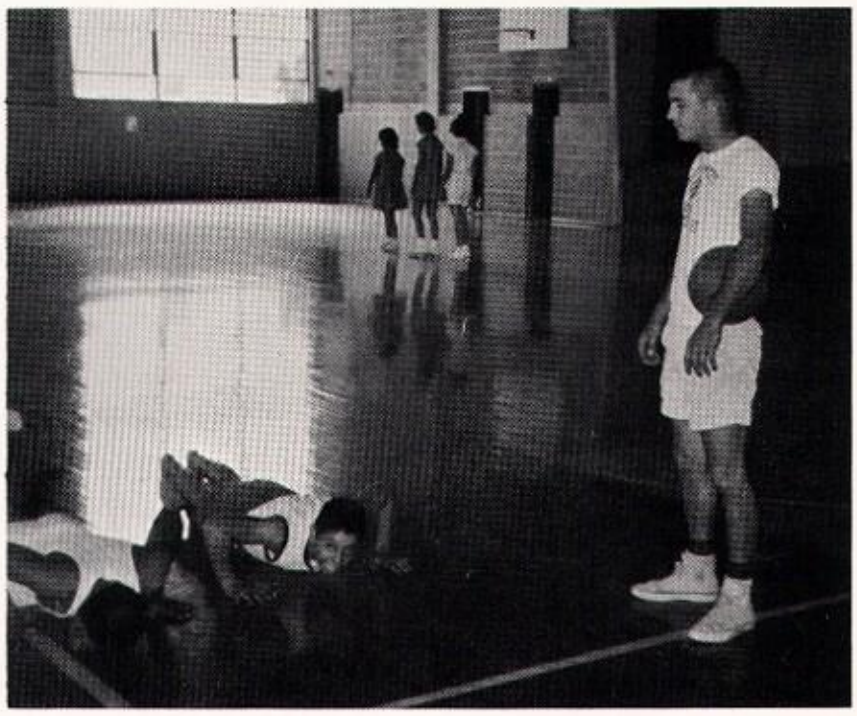
Physical Ed Classes Play Hard, Work Hard

Physical Education classes encourage girls to exercise in a physical fitness program.



Pat Fulgum, Janet Lyons and Judy Bell get set for baseball game.

Baseball, Football, Volleyball, push-ups--take your pick. Or perhaps pyramid building is your forte. In physical education classes our future Mister, Miss, (and Mrs.) Americas mold strong, healthy bodies and at the same time develop commendable attributes of sportsmanship. Students early learn the importance of toning up bodies tired from the routine of a daily job.



Coach Alvin Rhodes directs Malcolm Steger in push-up exercises.

Builders of Ideas

Seniors in Abundance

Activity period for Seniors is usually devoted to an exchange of ideas! Gary Blume, Jerry Jaramillo, Johnny Tejeda, Jesse Everett, and Joseph Winkler look pleased as the camera catches this little group.

Class seems a long way off to Peggy House, Tom Prichard, Larry Abel, Judith Mann, Mike Shields, and Jim Pestello.

Mr. Earl Hessong makes a trip to town with his Texas History class to study court procedure. Herman Hinojosa, Antonio Alvarado, Rejino Verastequi, and Manuel Contreras hurry to lunch.

Delores Nobles takes notes diligently in Col. Hall's governmen class. Shirley Godbey, Trudy Pettyjohn, Jeanette Albrecht and Veeta Scott digest every word.

Senior football captains, Tom Pritchard, Frank Huizar, Armando Menchaca and Henry Gomez take a bow as Cheerleader, Joyce Verstraeten, leads the applause.

In a student's life, the senior year is the busiest and happiest. Activities at the first of the school year start the excitement which is to last all year. Picture taking, ordering invitations, dances, Homecoming, Hall of Fame, Senior trip - all help make the senior year memorable.

For many of these seniors, Southwest will always be the second home that guarded and guided them until they became the class of '65.

Field trips by the history classes bring smiles to the faces of seniors who tour the town. Delores Nobles and Pete Menchaca lead the way.

Herman Hinojosa makes change in store for students who go over for "goodies."

Seniors sit in their own section in the Gym during assemblies. Mike Shields, Richard Hamon, Henry Aguilar, Macario Sandoval, and Abel Hinojosa give their attention to speaker for the morning assembly.

Privilege of introducing speakers to the student body is afforded the president of Student Council, Marilyn Rosser.

Rushing to classes, never ending homework, filling out college applications, ordering senior rings, issuing invitations, displaying sweaters, looking for suitable jobs - these are the memories of a busy senior year.

Science class is fascinating as lab experiments prove out. Jerry Thompson writes the results while Mike Shields wonders!

Seniors find cards are wonderful for utilizing "spare moments" in situations like this! Busily engaged in the sport are Gary Blume, Betty Rosfeld, David Clark, and, incidentally, Cookie Crum.

Delores Casas is moderator for the Senior Homemaking Style Show.

A little breather is necessary during basketball practice. Larry Abel and Mike Shields take advantage of it.

Making up part of the audience during one of Mr. Chamber's solos are Marilyn Rosser and Susan Constanzo.

Juniors Include Relaxation With Study

Majorettes, Pam Jackel, Kathleen Cochran, Susan Constanzo, and Marilyn Rosser prepare for marching practice with Barbara Mueller, Drum Major.

Don Robinson and Sharon Melton "supervise" work on Betty Watt's notebook.

The Student Council is a service organization in the school. The life blood of the council is derived from the students, and the council is devoted to the benefit of the student body. All assembly programs are supervised by the Student Council and it conducts the class competition which is a new feature at our school. The Harvest Moon Ball has been sponsored by the council in November and is free to all high school students who have paid their class dues. The Student Council also staffs the bookroom, making supplies available to the student body.

The above photograph represents a "First" for Southwest in that it is the first time we have had three Senior girls who have served as Sweetheart of the F.F.A. They are Susan Constanzo, 1962-63; Anne Collins, 1963-64; Linda Frazier, 1964-65.

The Future Farmers of America is a national organization stretching from the State of Washington to Puerto Rico and from the State of Maine to Hawaii.

Its purpose is to develop agricultural leadership. We do this by holding planned, supervised activities in cooperative buying, farm improvement, and leadership designed especially for the enlargement of the individuals' special talents and abilities.

Future Farmers encourages thrift, scholarship and the development of sound scientific farming programs. All in all, it helps to develop competent, aggressive, rural and agricultural leadership.

Band Experiences Greatest Year Yet . . . . . .

BARBARA MUELLER - DRUM MAJORETTE

Barbara Mueller, the Drum Majorette of the Dragon Band, has done a tremendous job for this year. For Barbara this was her first year in the lead of the band.

Attending a camp for drum majors was only a small part of the hard work she put into her position. Barbara is sincere in her effort for the Band, and she has earned well the deserving respect of her followers.

Mr. Michael Pagonis is a graduate of St. Mary's University with a major in Music. He has taken the reins of the Dragon Band and made the members step lively to the tunes of a well-organized group. Even an inexperienced person can see and hear the amazing progress brought about by the leadership of this fine director.

During this year we have been justifiably proud and honored as our band performed under the capable direction of Mr. Michael Pagonis.

MR. MICHAEL PAGONIS,
BAND DIRECTOR

Majorettes Add Spirit to Half Time

Marilyn Rosser, 3 yr. Maj.; Senior; 1st in U.I.L. Solo Twirling for 2 years.

Susan Constanzo, 2 year Majorette; Senior.

The honor of being a majorette carries considerable responsibility along with the prestige. A majorette is required to do everything asked of a band member, besides her extra work of twirling routines and keeping in unison.

The Majorettes attend a twirling camp each summer at one of the colleges and must keep up their twirling ability even after the glamor of football season subsides. In December when the band goes to marching contest the Majorettes are required to work along with the band and to polish up a routine to compete against the other majorettes in the District.

Truly, being a majorette means dedication, loyalty and plain hard work.

Kathy Cochran, 1 year Majorette; Junior.

Pam Jackel, 2 year Majorette; Junior.

Dragon Majorettes pictured above: Standing, Susan Constanzo, Kathy Cochran, Marilyn Rosser; Kneeling, Pam Jackel.

For over nine years the Dragon Band has been entertaining hundreds of people. Under the direction of Mr. Michael Pagonis, the marching unit participates in numerous activities. Members entertain at half-time shows and march in parades.

They also present band shows and compete in the Interscholastic Contest. The band sponsors many projects throughout the year. Election of a sweetheart and beau and many out of town trips complete the year.

and officers, serving cokes to the crowd: Mrs. Shrank, Mrs. Cochran, Mrs. Kersey, and Mrs. Vara.

The year 1964-65 was a highly successful year for the Band Parents' Club at Southwest. Mrs. James Rosser served as President with the following officers: Mrs. Shrank, Vice-President; Mrs. Cochran, Secretary; Mrs. Kersey, Treasurer.

A band supper which featured the Italian motif was a highlight. Those who attended the supper were delighted to find they were dining by candlelight with the individual band members serving their guests at their tables.

The concession stand, operated during football season, was successful in its operation. Mr. Rosser acted as Chairman of the stand and was assisted ably by band club parents.

Uniforms and instruments are supplied by the Band Parents' Club for each year and make a large contribution to the continuing attainment of the Band and its director, Mr. Pagonis.

Honor Students

High School

LARRY ABEL

DRAGON

Larry is, perhaps, one of the most sports minded boys in the senior class. Playing football, basketball, baseball, and track, Larry keeps in top shape the year around. Sports may be the center of his activities, but it is only one of his many accomplishments. During football season, Larry served as Escort for the Homecoming Queen, and it is a well known fact that he is the best dancer around. Larry has maintained his reputation among his friends as a "faithful, friendly, all-around good guy."

VEETA SCOTT

DRAGONETTE

Though her outward appearance is mild, Veeta performs her duties quietly and efficiently. As Lieutenant of the Drill Team and President of the National Honor Society she has no time for idleness. Her sure leadership in the office of National Honor Society President has been an inspiration to those desiring admittance to this group of outstanding scholars. While here at Southwest, Veeta has been described by friends as "humble, tactful, understanding, and full of sunshine." Veeta will find success in any field she enters.

MARY LOUISE TEJEDA

LARRY ABEL

Mary and Larry were chosen Best All Around in the Senior Class because of their ability to make friends and keep them. They have that rare quality of making people comfortable in their presence.

JUDITH MANN

CHRIS FLORES

Dependability is a characteristic not given to all people. Judith and Chris typify the quality necessary to inspire trust, confidence and reliance.

TRUDY PETTYJOHN

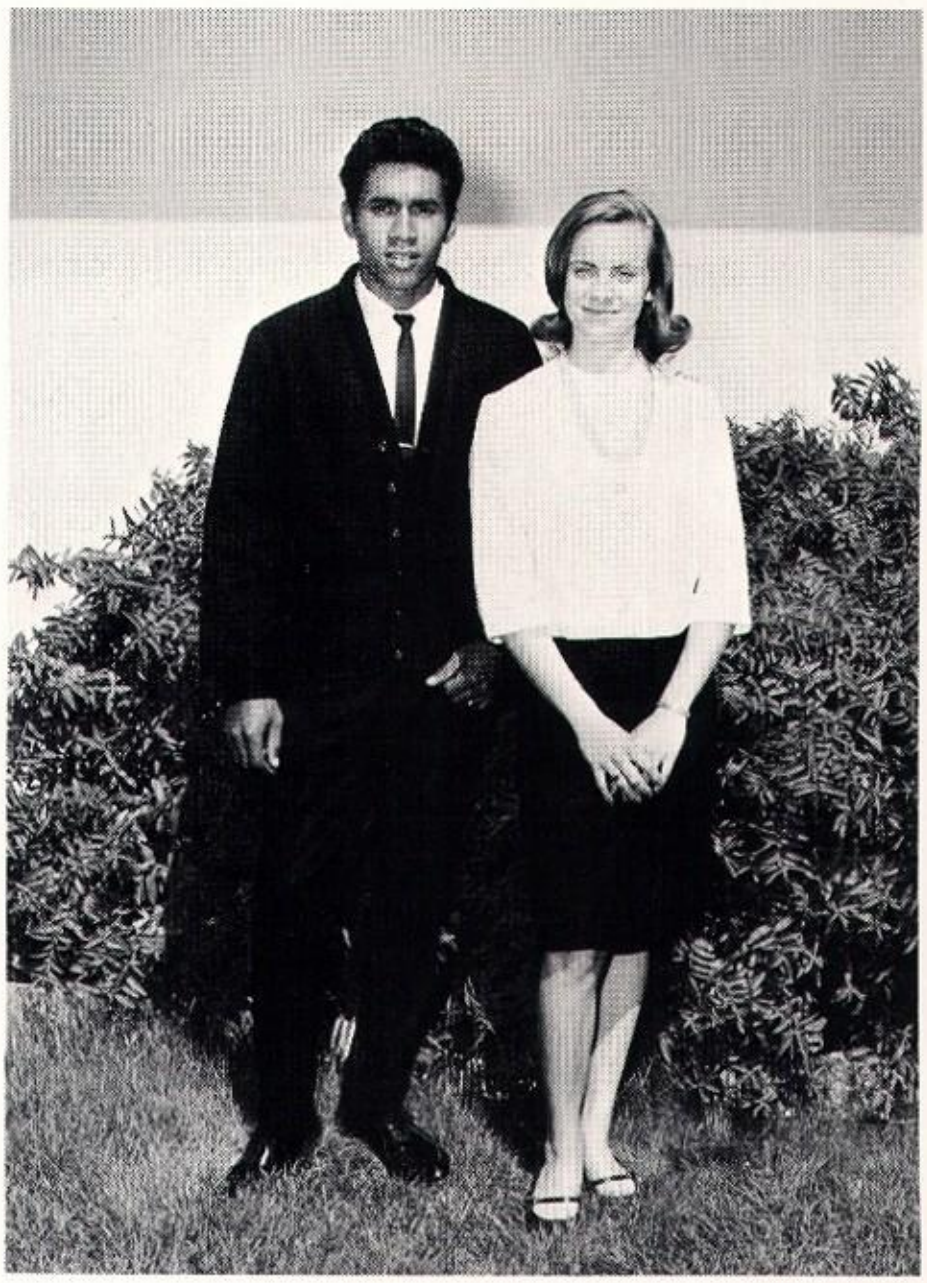
ROY CLAYBORNE

Two of the most talented individuals in the Senior Class this year are Trudy and Roy. It certainly isn't difficult to see why they were chosen for this category. Roy has several hit records, playing an electric guitar, with Trudy as vocalist.

TERI ANN STUART

FRANK FLORES

A pleasing personality is a wonderful trait, and Teri Ann and Frank were selected as Mr. and Miss Personality of Southwest High. Both of these senior students personify the individuality necessary for good will.



VEETA SCOTT

ROBERT PRATHER

Very early in high school it is evident that some students have what it takes to succeed and do things well. Veeta and Robert show unusual talent in this direction. Success is forecast for the future of these Seniors.

LINDA FRAZIER

FRANK HUIZAR

Football, basketball, sports of all varieties - Linda and Frank are our selections for Most Athletic Seniors. Both of these students reflect the character and sportsmanship required of good athletes.

LINDA FRAZIER

ANTONIO ALVARADO

If a group of students select two personable fellow students as Most Popular, then you can be sure the qualifications have been met with room to spare! Linda and Antonio are fun-loving, happy personalities who are well liked by all.

PEGGY HOUSE

MIKE SHIELDS

Humorous, bright, clever, are adjectives which depict the repartee ensuing from Peggy and Mike - the Wittiest students in the Senior Class. These students liven up any party, or, for that matter, just any school day.

SUSAN CONSTANZO

ANTONIO ALVARADO

Handsome is as handsome does - Susan and Antonio were selected by their classmates as the most handsome and cutest in their class. Both Seniors are not only personable in appearance, but each is fine looking, gracious and generous.

JOYCE VERSTRAETEN

HERMAN HINOJOSA

Friendliness is the epitome of good will and "fellowship." Joyce and Herman court friendship among their fellow students, and are well liked by everyone.

MARY ANN CONSTANZO

DAVID FIELDS

Every Senior Class has at least several members who are attractive, winsome personalities willing to help any way they can to make their class successful. Mary Ann and David were selected to serve as Escorts for the Senior Class.

ANN COLLINS

Mistress of Ceremonies for the Senior Class, Ann has the scintillating effervescence needed to introduce the Hall of Fame personalities. Her gracious spirit will enhance the program in its presentation.

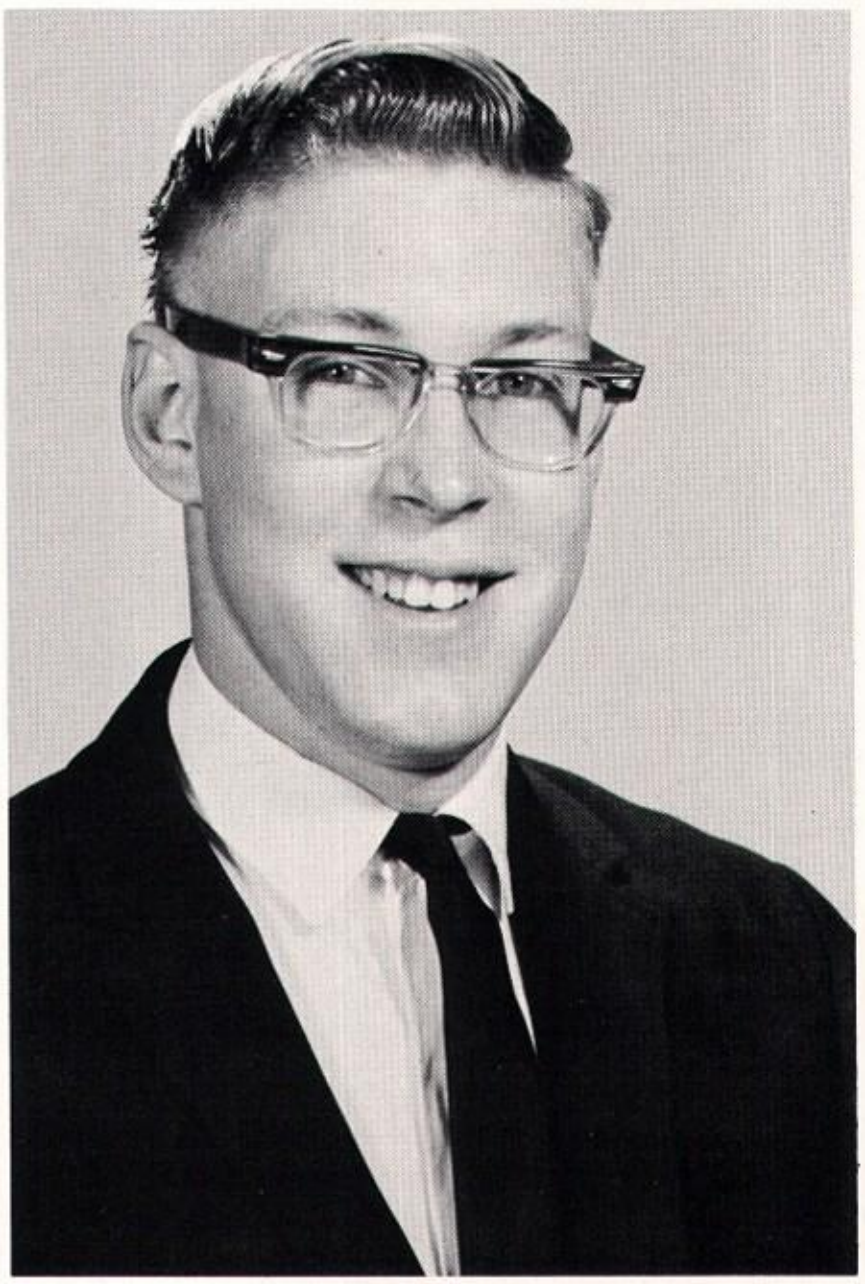
STUDENT COUNCIL PRESIDENT

EDITOR OF THE DRAGONNIERE

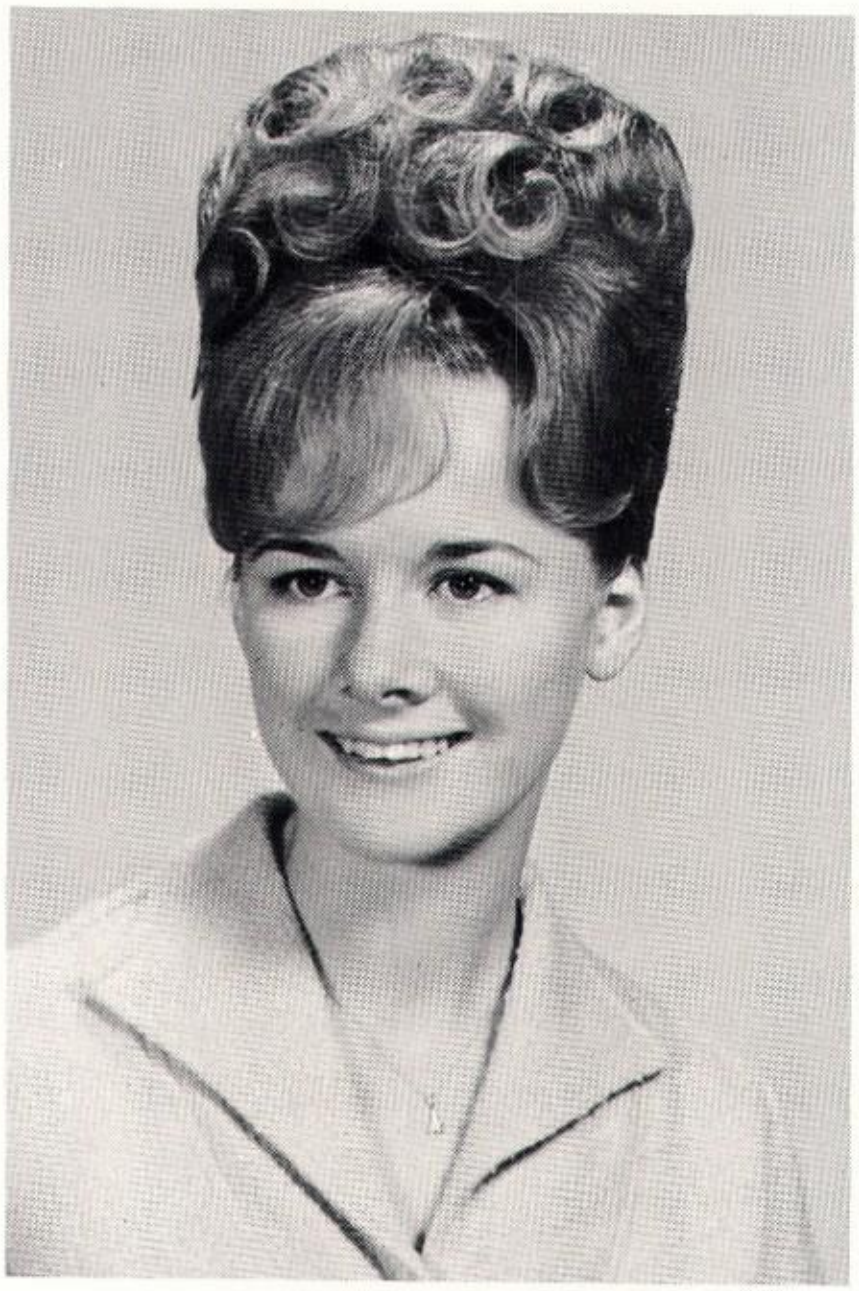
Much of the progress made by the Student Council this year can be attributed to its president, Marilyn Rosser. She kept the officers and members working to provide better and more varied assemblies. The fact that Marilyn was a Majorette and member of the Band added to her many responsibilities and duties. The call, "Our deadline was last Friday," was a familiar cry as Marilyn served as Editor of the Dragonniere, the school annual, and was responsible in large measure for its growth and enlargement. Marilyn's interest in homemaking was included in her many activities, and she won the Betty Crocker Award for the year 1964-65 in cooking.



ROBERT PRATHER

PRESIDENT OF THE SENIOR CLASS

Bobby, as he is known by his fellow students, is a boy with purpose and progress for his aim. After his election as Senior Class President, Bobby took the class leadership with a sure hand. With the additional duties required of him by the Student Council and the Annual Staff, Bobby is truly a boy on the move. His personality is friendliness plus, and the senior class is fortunate, indeed, to have his leadership.



JUDITH MANN

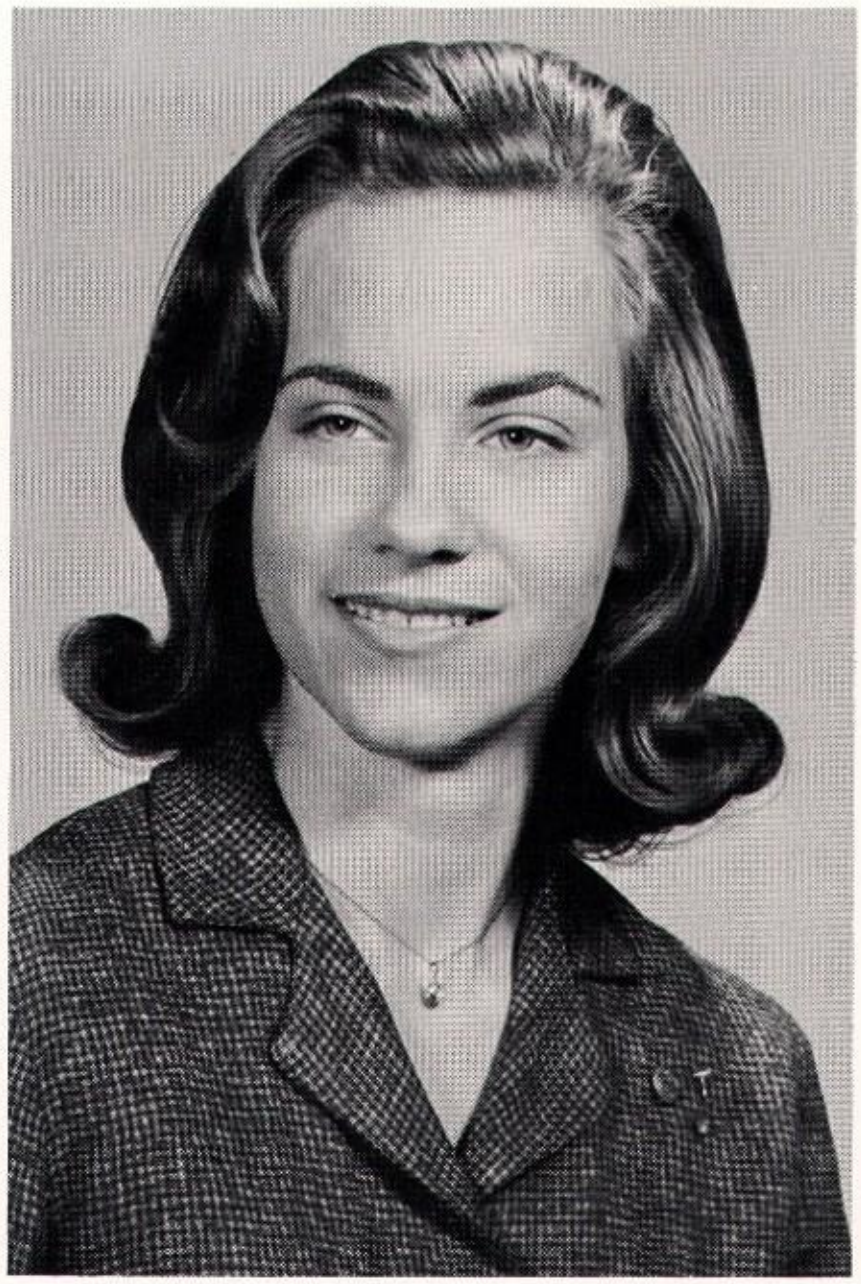
DRILL TEAM CAPTAIN

Judi, as Fall Semester Drill Team Captain, carried the heavy responsibility of half-time performances and supervised the thirty-five girls in the drill team. The sound most often heard when Judi was in command was the high shrill whistle and the sharp charge, "All right now, fall in!" Don't let this outward gruffness mislead you, though, for Judi is always willing to give assistance on any assignment and offer a friendly word of advice.

DELORES CASAS

DRILL TEAM CAPTAIN

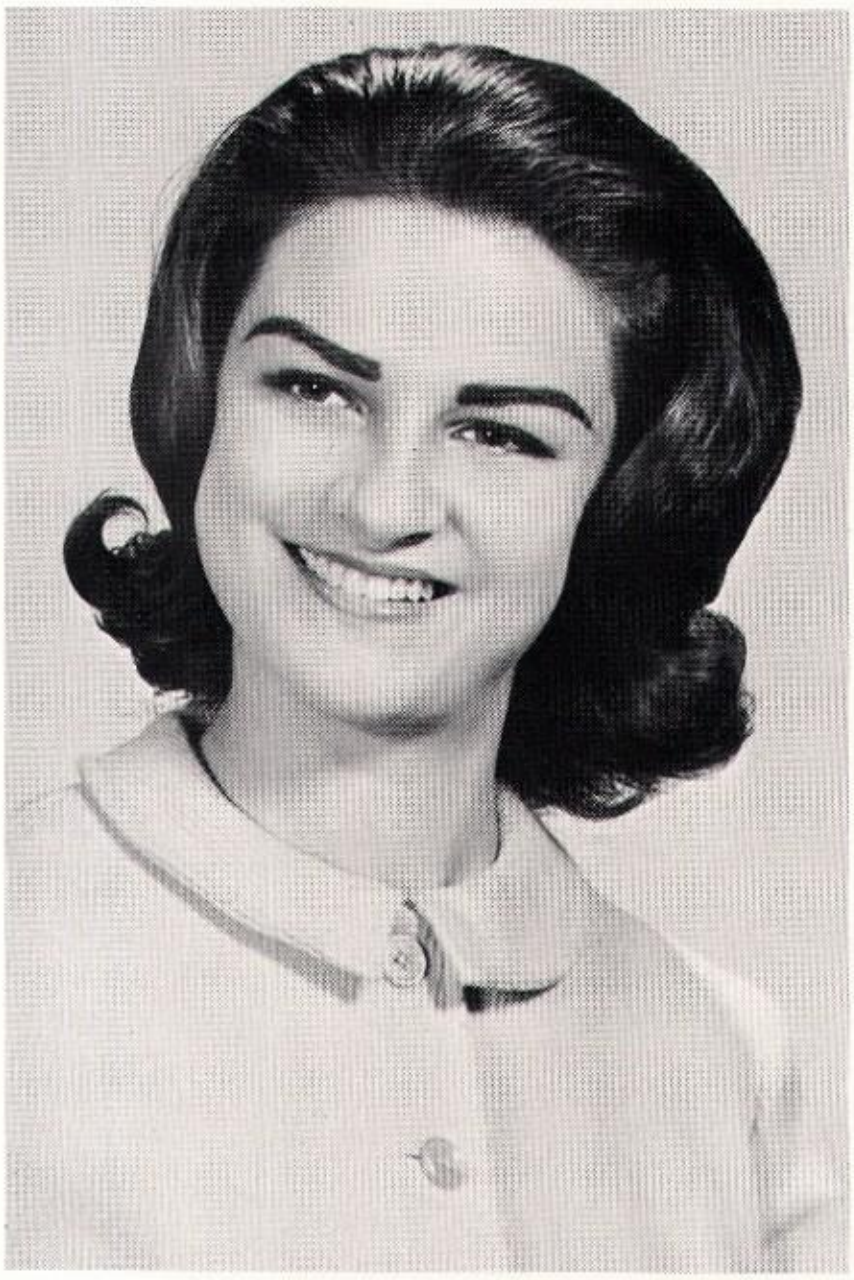
Delores holds the responsibility of training new members and officers, along with the added work of keeping the group in precision shape for parades and other drill functions. Besides her duties on the annual staff, Delores gives the few hours left of her spare time to the Student Council. Constantly on the go, Delores always has a moment to listen to the problems of others.



TERI ANN STUART

PRESIDENT OF FUTURE HOMEMAKERS

Teri Ann has been an extremely active member of the FHA throughout her high school years. Serving as an officer every year, she has held the top office in both the Junior Club and Senior Club. But FHA does not take all of Teri's time, for the position of Vice-President of the Senior Class poses other responsibilities. Teri Ann faithfully performs her duties, but always has a smile of encouragement for those who need it.



ANNE COLLINS

DRAGON'S TALE EDITOR

Working under the guidance of Miss Mary Ann Svoboda, Anne has put a great deal of time and effort into her position as Editor of the Dragon's Tale. As half-time Announcer for the 1964 football season, Anne was required to give hours of work for the presentation of her "broadcast." She served under the leadership of Mr. Michael Pagonis, Band Director, in composing various dialogues in connection with half-time entertainment.

MR. JIM P. COLLINS, Principal of Elementary I, received his educational training from the University of Texas and Baylor University, acquiring his B.S. degree; the M.S. degree was received from Texas A. & I.

The key man in the Elementary I school division of our campus, Mr. Collins actually is the pivot for all the activities of the Elementary classes. He is the able, conscientious man who helps guide the destiny of the school as it enters another year of expansion, seeking to maintain a high level of educational standard.

Interest in Science is motivated by Mr. Collins as he demonstrates to Preston Byrom, Henry Williams, Janette Opella, and David Kelly.

Mrs. June Donica sits in her office as she prepares for the day's work--which is always a full one for her!

MRS. JUNE DONICA--School Nurse, Graduate of Hendricks Memorial Hospital in Abilene, Texas. Mrs. Donica is a Registered Nurse, serving Southwest Independent School District for the first time in this capacity.

Mrs. Donica has served the school in many other ways, such as directing school plays for the Elementary Division, decorating for them, and holding office in the Parent Teachers' Association.

Mrs. Baumgarten supervises play of "rope-skippers": Nancy Kelly, Vicki Meyers, Rita Faulkner, Anita Gomez.

Follow the leader! A fun game for all.

Marbles are still fascinating to younger set: Mike Flores, James May, John Robison, Steven Lopez, Albert Ramirez.

Elementary Students Perform Well

Southwest Elementary Choir dressed in white choir robes with green bows.

The Southwest Elementary School Choir has been under the direction of capable director, Miss Mary Goody. The choir entertained the High School this year on numerous occasions. Their rich, mellow tones rang out at the November assembly and at the Christmas program presented under the supervision of the Student Council.

The Elementary Band studies under the eadership of band director, Mr. Michael agonis. These young people have a won- erful opportunity afforded them to learn o play an instrument early in their school ife.

Southwest Elementary Band is directed by Mr. Michael Pagonis. They are shown here at practice in the Band Hall.

Elementary School Features Spanish and Journalism

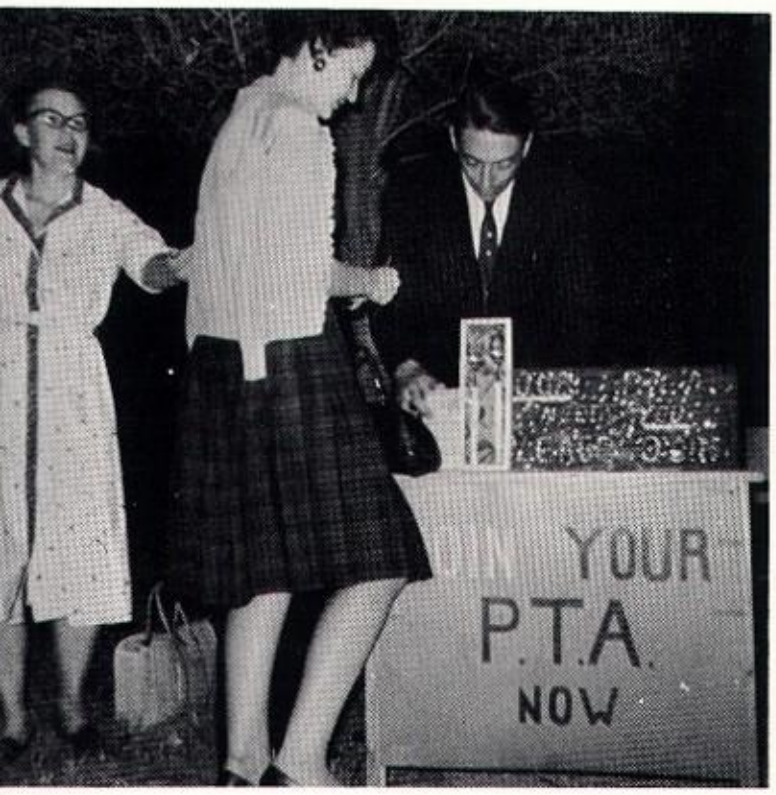
Jerry McConnell reads from a Spanish Reader under the direction of Mr. Louis Patton.

Spanish is being taught for the first time in the Elementary Division of the School. The Fifth and Sixth grades have normal sessions of 30 minutes and study from the Junior High School books.

The Journalism Class is taught the fundamentals of good reporting. The students talk to their teachers and other students, gathering news for the Elementary school paper. The Fifth and Sixth grade students participate in this project and try to model their paper after the High School paper.

Journalism Class is busily engaged in reporting news to their Sponsor, Mr. Henry Speier. Rose Mary May and Ruby Leeva wait for assistance.

P. T. A. Sponsors Carnival

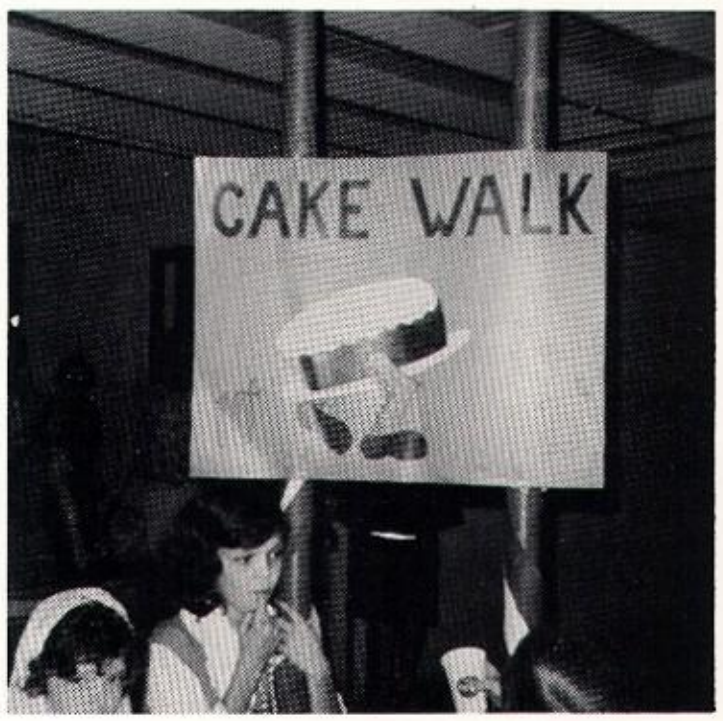


Mr. Edward MacKay enrolls another parent in Southwest P. T. A.

Each year the Parent Teachers' Association sponsors a carnival to raise money for many school projects.

This year the carnival was held on Halloween night and a costume contest was the highlight of the evening. There were many contestants, including adults and teenagers. The judges had a difficult time reaching a decision, but the winners were as follows: John Lindsay, the mummy, Stephen Casas, the clown, and the fat lady, name unknown.

Hamburgers and Hotdogs are enjoyed by P. T. A. Patrons.



Children express delight over cakes given away in Cake Walk.

Mrs. J. P. Collins offers napkin to youngster eating hamburger at carnival.

Students Take Part in All Activities . . . . . .

Elementary Chorus groups have ably demonstrated their ability to give excellent concerts for programs during the year. A special Christmas concert was given for parents and friends. Children are pictured here in choir robes.

The Library affords an opportunity for Elementary students to read and study during scheduled library periods.

Miss Mary Elizabeth Goodey directs students in practice session to enlarge their musical talents.

rs. Coleman directs Sixth Grade students preparing assignments.

MRS. ALMA COLEMAN became Principal of Elementary II when it was opened two years ago. She had served as Principal at Elementary I in previous years. Mrs. Coleman received her B. A. Degree from St. Mary's University and the M. Ed. from Southwest Texas State College.

The high regard in which our Elementary School is held in the community is one of the direct outgrowths of Mrs. Coleman's devotion to making this school successful and well organized. The Principal of Elementary II has not, to our knowledge, invented a mousetrap, but the path to her door is well worn.

Elementary Teachers Assist Children With Studies

Being Principal of a Six Grade Elementary School is not an easy task, but Mrs. Alma Coleman is efficient and well liked by students and parents alike.

Miss Dorrace Haynes helps her students, individually, whenever they need it.

Mrs. Betty Smith teaches First Grade children appreciation of nature.

The P. T. C. of Elementary II Sponsors Carnival

The Fish Pond proved an interesting place for children and parents.

The Parent Teachers' Club of Elementary II has sought to promote good parent-school relationship since its beginning two years ago. The carnival, which was held on Halloween night, was an outstanding success.

Parents are interested participants in all school activities. The school is making progress in all areas of cooperative endeavor.

An eager, hungry crowd waited to be served at the concession stand.

he Ring Toss booth was operated by Mrs. Far-
r and Mr. Kresta. The crowd enjoyed the fun
ery much.

Young aspirants line up for decision of judges.

Elementary Students Enjoy Varied Activities

Sherly Rosenberger and Ann Claus point out places of interest in our native state.

Reading orally before the class is easily done by Yvonne Schilsky and Billy Vann.

The pack of Cub Scouts at Elementary II have at least four enthusiastic members: Bradley Lazaroney, Michael Harvey, Kim Nicholson, and Richard Gargulinski.

Young Halloween pranksters get ready for judging at Carnival. They were Sandra Isaacs, Kathy Burkett and Debbie Walters.

Kristin Osgood and Brenda Lawson represent their Brownie group before a fire safety sign.

Mr. Leo Boyle's umpires baseball game with Bradley Lazaroney at the bat and Michael Harvey as catcher.

Afterword

ONE STEP AT A TIME. . . .

. . . A year has advanced. We look back on a year which has been wasted, or a year of accomplishment, and wonder if it could have been made more beneficial. Did we do our best when the chips were down? Did we buckle under pressure? Was it a year worth living?

We look back and realize that this was a year of golden memories filled with the joys of living and just being a teenager in a free country.

This year was the last for some of us, a year of gladness and tears, for we will never pass this way again.

We took the road of education slowly. . . . . .

. . . . . .but always forward.
